B. **City Implementation of Senate Bill 4:** The City of LA may revise its implementation of SB 4 in a way that allows for 100% affordable housing projects in R-1 zoned sites and HPOZs on land owned by faith-based organizations.

**Motion:** The Greater Wilshire Neighborhood Council supports the “time of ownership” requirement in SB 4 that allows for 100% affordable housing projects by faith-based organizations on property owned by these organizations prior to January 1, 2024 and opposes

the City Planning Department's proposed elimination of this time of ownership requirement as part of the Planning Department's Citywide Housing Incentive Program (CHIP) because the "time of ownership" restriction was a fundamental limitation that allowed SB 4 to be enacted and its elimination will allow faith-based organizations, new and old, and their partners to become housing speculators rather than centers for worship.

- C. **460 S. La Brea Ave** (former La Brea Bakery location): Filing date: 3/26/24. A CUB to continue the sale and dispensing of a full-line of alcohol for on-site consumption in conjunction with a 4,465 sf restaurant (Leopardo) with 130 seats, and 459 sf patio with 26 seats, that includes the request for a deviation from the operating hours for a commercial corner development from 7am-12am, daily. Case no: ZA-2024-1937-CUB. Zoning: C2-1; Council District 5.

**Motion:** The Greater Wilshire Neighborhood Council supports the requested Conditional Use Permit for the project at 460 S. La Brea Ave., so long as the Permit is subject to the same conditions as set forth in the Conditional Use Permit of the previous operator.

- D. **Interim Control Ordinance for 100% Affordable Housing:** Councilmember Katy Yaroslavsky's proposed ordinance will require that 100% affordable housing projects in HPOZs go through a discretionary review process.

**Motion:** The Greater Wilshire Neighborhood Council supports Councilmember Yaroslavsky's proposed Interim Control Ordinance that requires a discretionary review process for proposed affordable housing projects in Historic Preservation Overlay Zones (HPOZs). It is further recommended that affordable housing projects in HPOZs be consistent with the goals, policies, objectives and other applicable requirements of the Historic Preservation Plan in which an affordable housing project is located.

- E. **Statewide Preservation:** The LA Conservancy signed onto a letter in opposition to Proposed Assembly Bill 2580, alongside the California Preservation Foundation and other preservation groups statewide. They argue that the proposed legislation incorrectly frames historic preservation as a constraint and impediment to housing development.

**Motion:** The Greater Wilshire Neighborhood Council will express its opposition to AB 2580, which, without facts, unduly targets historic preservation as an impediment to the creation of affordable housing, to the Mayor and the Members of the Los Angeles City Council, and will encourage stakeholders within Greater Wilshire to voice their opposition to the Bill to their State Representatives, particularly to those who represent Greater Wilshire.
