XIII. **AD HOC COMMITTEES** (Discussion and Possible Action)

A. **Charter Reform Committee - Chair:** Conrad Starr

1. **Committee Report** (Starr, Gresham)

2. **Motion:** The GWNC will file a CIS to the Charter Reform Commission, City Council and Committees, and to the Board of Neighborhood Commissioners as follows:

The Greater Wilshire Neighborhood Council (GWNC) opposes the Fuentes and Schlageter Motion “to consider depoliticizing constituent service responses by assigning to DONE the role of constituent service follow-up communications,” as presented January 14, 2026 to the Charter Reform Commission’s (CRC) Government Structure Committee

(https://drive.google.com/file/d/1_z4oRRYMRV11TFBAItj411RkSy3jpQFn/view); and the GWNC encourages the CRC to exclude the recommendations therein from its final recommendations for these following reasons:

- The MyLA311 (“3-1-1”) system has improved over time and performs better today than at any time in the past;

- When stakeholders are dissatisfied with the expediency or care with which their 3-1-1 requests are handled, they may share service request (“ticket”) numbers with Council Office representatives to investigate and possibly to expedite them;
 - Stakeholders may also communicate issues around 3-1-1 requests to Neighborhood Councils (NC), allowing NCs to follow up with Council Office Field Representatives, many who attend the NC meetings;
 - NCs have developed relationships with Council Offices and understand the need to be realistic about their challenges and limitations; simply increasing the frequency of complaints is not always the best way to get results;
 - When a Council Member instructs a City Department to act in response to a 3-1-1 request, a positive outcome is more likely;
 - As noted in the Los Angeles Neighborhood Council Coalition (LANCC) January 21, 2026 recommendations (which the GWNC supports), the Department of Neighborhood Empowerment (“DONE” or “The Department”) has shown deficiencies in its role as a source of critical City information for Neighborhood Councils (NC), and DONE Neighborhood Empowerment Advocates (NEA) often provide different advice to different NCs, demonstrating a lack of consistency and the need for a shared body of knowledge;
 - DONE lacks a transparent “ticket” process for handling requests from NCs (the customers who interact most with the Department), nor does it publish performance metrics on its core functions; and
 - What the Fuentes and Schlageter motion calls “depoliticization” runs counter to the relationships City Council members have with their communities and with community groups; placing another entity in between the local Council District and its constituents, will, by its nature, depersonalize every request and create roadblocks to determining which requests are most urgent and important.
3. **Possible Motion:** The GWNC appoints John Gresham, Erika Stuart, Conrad Starr, and Mark Alpers as alternate presenters of board-approved Charter Reform-related Community Impact Statements, including those previously passed by the GWNC.

XIV. NEW BUSINESS (Discussion and Possible Action)

A. LA28 Olympics - Lisha Sevanian

Possible Motion: The Greater Wilshire Neighborhood Council will form an Ad Hoc Committee called the Olympics Ad Hoc Committee, to oversee planning and coordination for events relating to the 2028 Olympics to be organized by the GWNC, in coordination with the City of Los Angeles, the County of Los Angeles and the LA28 non-profit organization. The GWNC appoints Lisha Sevanian as the chair of the GWNC Olympics Ad Hoc Committee and Dave Cavalier, _____, and _____ as members of the committee.

B. Possible Involvement in City Council Candidate Forums for CD5 and CD13

1. **CD13** – Michael Chick (michael.chick@chnc.org) of the Central Hollywood NC is spearheading the planning for a multi-NC sponsored CD13 candidate forum in late April, location TBD, cost TBD.

Possible Motion: The GWNC appoints _____ and _____ to join the CD13 Legislative Action Committee and will help to plan and provide outreach support for an NC-sponsored CD13 Candidate Forum. The GWNC will support the forum with a budget not to exceed \$500.

2. **CD5** – No planning has yet been done across other CD5 NCs.

Possible Motion: The GWNC will/will not help to plan an NC-sponsored CD5 Candidate Forum and appoints _____, _____, and _____ to participate.

XV. **REQUESTS/MOTIONS FOR FUTURE AGENDA ITEMS**
