10. Continuation of tabled agenda item 17 from HUNC Board meeting of April 14, 2025 due to incomplete description of agenda item. The complete agenda item; Discussion and possible motion to send a Community Impact Statement (CIS) recommendation for CF-23-0701 opposing a City Council Action to make the temporary fence on Mulholland Highway beginning at Canyon Lake Drive and

running along a portion of the Lake Hollywood perimeter east to Durand Drive, permanent. The proposed CIS: Hollywood United Neighborhood Council is submitting a Community Impact Statement regarding Action 23-0701 which proposes making the temporary fence on Mulholland Highway permanent. We recognize that the motion has passed but suggest either amendments to the legislation or reconsidering the fence entirely. While people taking photos of their cars, blocking the road poses a legitimate issue, we feel that this solution is inelegant at best and counter-productive at worst. Blocking any view seems like a slippery slope. And it seems the temporary fence has already created the new issue of people walking in the road, all the while, people are still taking pictures. There are additional concerns about the fence blocking wildlife migration and also aesthetics. We believe that we can all collectively find a better, more creative, multi-pronged solution than a fence.

Discussion and Possible Motion to Submit a Community Impact Statement (CIS) in support of Council File 25-0600-S7 which seeks to restore full Neighborhood Council (NC) funding for Fiscal Year 2025–2026.
