CONSENT CALENDAR: Consent Items (Items for action assigned by the Board at the meeting to be adopted by a single vote). Any item may be pulled off of consent for further discussion by any Board Member at any time before action is taken.

FUNDING ACTIONS LOG: The Funding Actions Log is a grouped section of funding-related items on the agenda that may be approved by a single Board vote. Unlike the Consent Calendar, items in the Funding Actions Log are open for full Board discussion and public comment prior to action. Any item can be pulled for separate discussion or vote at the request of a Board Member.

“VOTE RECORD” COMMUNITY IMPACT STATEMENT (CIS): A *Vote Record* CIS is a formal submission made by a Neighborhood Council to the City of Los Angeles that documents the outcome of a Board vote in support of or in opposition to a Council File, without submitting a written letter or detailed explanation. This type of CIS only includes the vote tally (yes/no/abstain/recused/ineligible) and reflects the official position of the elected Board.

PUBLIC INPUT AT NEIGHBORHOOD COUNCIL MEETINGS: The public is requested to fill out a “Speaker Card” to address the Board on any agenda item before the Board takes an action on an item. Comments from the public on agenda items will be heard only when the respective item is being considered. Comments from the public on other matters not appearing on the agenda that are within the Board’s jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future Board meeting. Public comment is limited to 3 minutes per speaker unless adjusted by the presiding officer of the Board.
