10. Discussion and Presentation with Marissa Ayala and Yuval Yossefy of the 'United to House LA' Ballot Initiative, with possible motion to Support:

- a. "The measure would tax real estate that sells for more than \$5 million in LA City. The mansion tax would generate funding to reduce homelessness and protect low-income seniors, creating a one-time tax for millionaires, billionaires, and corporations that only kicks in when they sell properties in LA for more than \$5 million. It would immediately provide housing for people living on the streets, send emergency assistance to low-income seniors in danger of becoming homeless, and provide legal aid to renters. The measure would be implemented with the strongest oversight in LA's history." - <https://unitedtohousela.com/>
