The Neighborhood Council system enables meaningful civic participation for all Angelenos and serves as a voice for improving government responsiveness to local communities and their needs. We are an advisory body to the City of Los Angeles, comprised of stakeholder volunteers who are devoted to the mission of improving our communities.

Open Meeting: Members of the public are invited to attend the meeting.

Servicios de Traducción: Si requiere servicios de traducción, favor de avisar al Concejo Vecinal 3 días de trabajo (72 horas) antes del evento. Por favor contacte Jacob Wasserman, Secretario, por correo electrónico <jacobnwwnc@gmail.com> para avisar al Concejo Vecinal.

Public Input at Neighborhood Council Meetings: Public comment may be made on any agenda item, before the Board

takes an action on an item, and on other matters not appearing on the agenda that are within the Board’s jurisdiction, heard during the general public comment period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during the general public comment period; however, the issue raised by a member of the public may become the subject of a future Board meeting. Public comment is limited to two minutes per speaker, unless adjusted by the presiding officer of the Board.

Public comment may be made in any of the following ways: 1) by commenting orally in person at the meeting, 2) by submitting written comment beforehand to <jacobnwwnc@gmail.com> (with “Public Comment” and the agenda item number in the subject line), or 3) by commenting via teleconferencing. For comments made via teleconferencing, the public is requested dial *9 or use the “raise hand” option when prompted by the presiding officer to address the Board. Instructions on how to sign up for public comment will be given to attendees at the start of the meeting.

Notice to Paid Representatives: If you are compensated to monitor, attend, or speak at this meeting, City law may require you to register as a lobbyist and report your activity. See Los Angeles Municipal Code Section 48.01 et seq. More information is available at <https://ethics.lacity.org/lobbying/>. For assistance, please contact the Ethics Commission at (213)-978-1960 or <ethics.commission@lacity.org>.

Consent Calendar: Every item on the consent calendar will be considered bundled and will be voted on as a single item towards the close of the meeting. Items initially placed on the consent calendar will be marked with an asterisk (*) and red text on the agenda. If a member of the public wishes to make public comment on an item initially placed on the consent calendar, they must do so during the agenda item “Initial Public Comment on Agenda Items,” as there will not be an opportunity for separate comment before the vote on the consent calendar. If a Board Member has an objection to an item being on the consent calendar, they plan to vote against it, or they will need to recuse themselves from consideration of it, they will need to raise that objection during the agenda item “Review and Possible Removal of Items from the Consent Calendar” and ask to have that item or items considered separately. There will be no discussion or comment on the substance of any item on the consent calendar unless it is removed from the consent calendar. An item not initially placed on the consent calendar and not marked on the agenda as such may be added to the consent calendar without objection when it is reached on the agenda and opportunity for public comment is given.

Posting of Approved Items: In addition to any Council Files listed below, the Neighborhood Council has authorized that all approved items be posted to the Los Angeles City Council’s monthly general comment Council File (in the Series CF 25-0000-S[#]) and to relevant Los Angeles City Council committees’ comment Council Files (in the Series CF 25-1111-S[#]).
