## PORTER RANCH NEIGHBORHOOD COUNCIL

### BOARD MEETING AGENDA

Wednesday November 9, 2022 @ 6:15pm

**ZOOM MEETING ONLINE OR BY TELEPHONE**

Tel: (888) 475-4499 (669) 900-6833 Conference ID: 94783511596# TO JOIN THE MEETING

<https://Zoom.us/j/94783511596>

IN CONFORMITY WITH THE SEPTEMBER 16, 2021 ENACTMENT OF CALIFORNIA ASSEMBLY BILL 361 (RIVAS) AND DUE TO CONCERNS OVER COVID-19, THE PORTER RANCH NEIGHBORHOOD COUNCIL MEETING WILL BE CONDUCTED ENTIRELY WITH A CALL-IN OPTION OR INTERNET-BASED SERVICE OPTION.

Just like a physical meeting, this online and telephone PRNC meeting is open to the public. Any person who wishes to attend the meeting can do so using a computer, tablet, internet-enabled smartphone, or a standard telephone, and no special program, software, or App. is required. Any person attending the meeting will be afforded the opportunity to provide comment and address the Board on every item on the Agenda, and to make public comment on any matter not on the agenda but within the purview of the Board.

- To join the meeting using a computer, tablet, or internet-enabled smartphone, please go to <https://Zoom.us/j/94783511596>
- To join the meeting using a standard telephone, please dial the toll-free number (888) 475-4499 or (669) 900-6833, and when asked for the meeting ID, please enter 94783511596 and then press the hash, or pound sign, #.
- You may also join the meeting video via the web and audio via the telephone.

Instructions on how to provide public comment during the meeting will be given to listeners by the presiding officer at the start of the meeting. However, here is a brief synopsis: All meeting attendees will be automatically “muted” when they join the meeting. Attendees may address the Board in one of two situations: 1) comment on an agenda item, or 2) provide general public comment.

**Comment on an Agenda Item** – After each Agenda item is read out loud and before a Board vote is taken on that item, if any, the presiding officer will ask if any member of the public wishes to address the Board regarding the agenda item being considered. At that time, the meeting attendees can electronically “raise their hand” to speak. This is done as follows:

- If you are attending the meeting using a telephone only, or if you are attending the meeting via a computer/tablet but still using a telephone for audio, you can “raise your hand” by **dialing \*9** on your phone. That will prompt the presiding officer that you wish to speak.
- If you are attending the meeting using a computer or tablet only, and thus using the computer/tablet built-in microphone, then you “raise your hand” by using the “raise hand” function in ZOOM, and the presiding officer will see that you wish to speak.

After giving attendees time to “raise their hands”, the presiding officer will go down the list of those who raised their hand, turn on their audio one at a time and ask her/him to go ahead and provide comment within a specified period of time. When the speaker’s time expires, the presiding officer will let the speaker know that her/his time has expired, thank her/him for the comment, and turn OFF the audio for that speaker. This process will continue until all attendees who “raised their hand” spoke. At that time, the Board will discuss the motion and take a vote if they so choose.

**General Public Comment** – As noted in the meeting Agenda, there is an item dedicated to Public Comment on Items not on the Agenda, but within the purview of the Board. When the item comes up during the course of the meeting, the presiding officer will ask if any member of the public wishes to address the Board regarding any issue that is NOT on the agenda but is within the domain of the Board’s actions and capabilities. At that time, the meeting attendees can electronically “raise their hand” to speak using the same procedure described above. Please note that under the Brown Act, the Board is prevented from discussing or acting on a matter that is brought to its attention during the General Public Comment period. However, the issue raised by a member of the public may become the subject of a future Board meeting. Public comment is limited to two minutes per speaker, unless adjusted by the presiding officer at his or her discretion.

AB 361 Updates: Public comment cannot be required to be submitted in advance of the meeting, only real-time public comment is required.

If there are any broadcasting interruptions that prevent the public from observing or hearing the meeting, the meeting must be recessed or adjourned.

If members of the public are unable to provide public comment or be heard due to issues within the Neighborhood Council’s control, the meeting must be recessed or adjourned.

**Material Provided During the Meeting** – In some instances, invited speakers may bring material with them to be provided to the Board during the meeting. With online meetings, this material will likely be sent to the Board as an email attachment so it can be presented and displayed during the online meeting. If members of the public wish to receive copies of this material via email before the meeting begins, please send an email to the Board secretary at [Secretary@PRNC.org](mailto:Secretary@PRNC.org) and ask for copies of materials provided. Materials provided to the Board no less than two hours of the meeting will be emailed to all those who request them before the meeting begins. Material provided to the Board within less than two hours of the start of the meeting will be emailed to those who requested them after the meeting. All materials presented during the meeting will be included with the meeting minutes, which are then posted on the PRNC meetings page.
