General Public Comment – As noted in the meeting Agenda, there is an item dedicated to Public Comment on Items not on the Agenda, but within the purview of the Board. When the item comes up during the course of the meeting, the presiding officer will ask if any member of the public wishes to address the Board regarding any issue that is NOT on the agenda but is within the domain of the Board’s actions and capabilities. At that time, the meeting attendees can electronically “raise their hand” to speak using the same procedure described above. Please note that under the Brown Act, the Board is prevented from discussing or acting on a matter that is brought to its attention during the General Public Comment period. However, the issue raised by a member of the public may become the subject of a future Board meeting. Public comment is limited to two minutes per speaker, unless adjusted by the presiding officer at his or her discretion.

AB 361 Updates: Public comment cannot be required to be submitted in advance of the meeting, only real-time public comment is required.

If there are any broadcasting interruptions that prevent the public from observing or hearing the meeting, the meeting must be recessed or adjourned.

If members of the public are unable to provide public comment or be heard due to issues within the Neighborhood Council’s control, the meeting must be recessed or adjourned.

Material Provided During the Meeting – In some instances, invited speakers may bring material with them to be provided to the Board during the meeting. With online meetings, this material will likely be sent to the Board as an email attachment so it can be presented and displayed during the online meeting. If members of the public wish to receive copies of this material via email before the meeting begins, please send an email to the Board secretary at Secretary@PRNC.org and ask for copies of materials provided. Materials provided to the Board no less than two hours of the meeting will be emailed to all those who request them before the meeting begins. Material provided to the Board within less than two hours of the start of the meeting will be emailed to those who requested them after the meeting. All materials presented during the meeting will be included with the meeting minutes, which are then posted on the PRNC meetings page.
