RECONSIDERATION AND GRIEVANCE PROCESS - For information on the NC’s process for board action reconsideration, stakeholder grievance policy, or any other procedural matters related to this Council, please consult the NC Bylaws cited below.

PROCESS FOR RECONSIDERATION (Article VIII§4) - The Board may reconsider or amend its actions through the following Motion for Reconsideration process: Before the Board reconsiders any matter, the Board must approve a Motion for Reconsideration by official action. After determining that an action should be reconsidered, the Board has the authority to re-hear, continue, or act on the item that is the subject of reconsideration. The Motion for Reconsideration must be brought, and the Board’s approval of a Motion for Reconsideration must occur, either during the same meeting where the Board initially acted or during the Board’s next regularly scheduled meeting that follows the meeting where the action subject to consideration occurred. The RNC may also convene a special meeting within these specified time frames to address a Motion for Reconsideration. A Motion for Reconsideration may be proposed only by a member of the Board that previously voted on the prevailing side of the original action that was taken by the Board Moving. The Moving Board Member may make the Motion for consideration orally during the same meeting where the action that is the subject of reconsideration occurred, or by properly placing the Motion for Reconsideration on the agenda of a meeting that occurs within the allowed specified periods of time as stated above. In order to properly place the Motion for Reconsideration on the agenda of the subsequent meeting, the Moving Board Member shall submit a memorandum to the Secretary at least two (2) days in advance of the deadline for posting notices for the meeting. The memorandum must briefly state the reason(s) for requesting the reconsideration and provide the Secretary with an adequate description of the matter(s) to be re-heard and the proposed action that may be adopted by the Board if the Motion for Reconsideration is approved. A Motion for Reconsideration that is properly brought before the Board may be seconded by any member of the Board.

PROCESS FOR FILING A GRIEVANCE (Article XI) - Any grievance by a Stakeholder or Board member must be submitted in writing to the Secretary who shall cause the matter to be placed on the agenda for the next regular RNC meeting, but in any case, no more than in thirty-five (35) days. The Neighborhood Council will follow the City’s policy and/or rules regarding the handling of grievances. The Motion for Reconsideration must be brought, and the Boards approval of a Motion for Reconsideration must occur, either during the same meeting where the Board initially acted or during the Boards next regularly scheduled meeting that follows the meeting where the action subject to consideration occurred. The RNC may also convene a special meeting within these specified time frames to address a Motion for Reconsideration.

At that meeting, the Board shall refer the matter to an Ad Hoc Grievance Panel comprised of three (3) Non-Board Stakeholders randomly selected by the Secretary from a list of Non-Board Stakeholders who have expressed an interest in serving from time-to-time on such a panel. The Moving Board Member may make the Motion for Reconsideration orally during the same meeting where the action that is the subject of reconsideration occurred, or by properly placing the Motion for Reconsideration on the agenda of a meeting that occurs within the allowed specified periods of time as stated above.

Within two (2) weeks of the panel’s selection, the Secretary shall coordinate a time and place for the panel to meet with the person(s) submitting a grievance to discuss ways in which the dispute may be resolved. A Motion for Reconsideration that is properly brought before the Board may be seconded by any member of the Board.

Within two (2) weeks following such meeting, a member of the panel shall prepare a written report to be forwarded by the Secretary to the Board outlining the panels collective recommendations for resolving the grievance. The Board may receive a copy of the panels report and recommendations prior to a Board meeting, but, in accordance with the Brown Act, the matter shall not be discussed among the Board members until it is heard publicly at the next regular RNC meeting.

This grievance process is intended to address matters involving procedural disputes, such as the Boards failure to comply with Board Rules or these Bylaws. It is not intended to apply to Stakeholders who merely disagree with a

position or action taken by the Board at one of its meetings, which grievances may be aired publicly at RNC meetings.

The Neighborhood Council grievance review process will be conducted pursuant to any and all City ordinances, policies and procedures pertaining to Neighborhood Council.
