10. City Planning to provide Notice of City and State Coastal Exemptions.

Whereas, there is currently no process for Neighborhood Councils in the Coastal Zone to become aware of projects being processed with City Coastal Exemptions (CEX's) or State Coastal Exemptions,

Whereas, City CEX's are appealable in the same way as projects processed with Coastal Development Permits (CDP's) and thus should be included on the Certified Neighborhood Council (CNC) bi-weekly reports along with the projects requiring CDPs,

Whereas, appealability necessarily requires transparency and a way for a community to receive notice, and

Whereas, in a September 23, 2020 letter to City Planning the Coastal San Pedro Neighborhood Council previously requested that CEX's be included on the CNC reports (see attached) and there has been no response or change.

Resolved, the Coastal San Pedro Neighborhood Council requests that City Planning immediately start including CEX's on the CNC report.

Further Resolved, the Coastal San Pedro Neighborhood Council requests that City Planning request the Coastal Commission to provide both City Planning and Neighborhood Councils in the Coastal Zone a notice of, or that they post on their website, all new State Coastal Exemptions within five working days of the application being filed.
