Draft Motion: The Sherman Oaks Neighborhood Council (SONC) supports [CF 22-1197](#) to create a new ad hoc committee at LA City Council on City Governance Reform to increase transparency, limit corruption at City Hall, and make City leadership more representative of and beholden to the communities served, and [CF 22-1232](#) to pursue a ballot measure and changes to the LA City Charter to address concerns regarding Ethics Commission composition, function, and operation.
 - b. [CF 22-1241](#). International Holocaust Remembrance Alliance (IHRA) / Antisemitism Definition Adoption.

Draft Motion: The Sherman Oaks Neighborhood Council (SONC) supports [CF 22-1241](#). Antisemitic hate crimes recorded by the Anti-Defamation League are at the highest level since tracking began in 1979. Hate crimes in the state of California are at their highest level since 2001, with the highest percentage of religious bias events targeted at the Jewish community. Council File 22-1241 addresses the need to expand the definition of Anti-Semitism to include hateful speech regarding Israel which includes applying double standards by requiring of Israel a behavior which is not expected or demanded from any other democratic nation. Currently, much anti-semitic rhetoric and hate crimes targeting the Jewish community are disguised as social justice. With this in mind, it is imperative that all Diversity, Equity, and Inclusion (DEI) programs include the Jewish community as part of their curricula. Furthermore, SONC supports the expansion of all DEI programs to include the Jewish community and foster a greater understanding of the relationship of certain discourse regarding the State of Israel to antisemitism.
Presented by Collins.
