Comments from the public on other matters not appearing on the agenda that are within the Board's jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during the General Public Comment period, however, the issue raised by a member of the public may become the subject of a future Board meeting. Public comment is limited to one minutes per speaker, unless adjusted by the presiding officer of the Board.

AB 361 Updates: Public comment cannot be required to be submitted in advance of the meeting, only real-time public comment is required. If there are any broadcasting interruptions that prevent the public from observing or hearing the

Any messaging or virtual background is in the control of the individual board member in their personal capacity and does not reflect any formal position of the Neighborhood Council or the City of Los Angeles.

The Neighborhood Council system enables meaningful civic participation for all Angelenos and serves as a voice for improving government responsiveness to local communities and their needs. We are an advisory body to the City of Los Angeles, comprised of stakeholder volunteers who are devoted to the mission of improving our communities.

Unless otherwise specified, all items on the meeting agenda are for Discussion and Possible Action and may be taken out of order at the discretion of the President. This is an online virtual meeting, please understand that there may be some connection delays from time to time.

4. Finalize Community Impact Statements for July, 2022 board meeting:
 - a. Discussion/Possible Action: **CF11-1020-S3** – would rename the Budget Advocates account to “budget advocacy” with no mention as to where the funds would go. The SUNLAND-TUJUNGA Neighborhood Council **OPPOSES** Council File 11-1020-S3. Neighborhood Councils form alliances when they want to join together to work on issues of common interest. We want to be able to contribute specifically to alliances we support. The name of the overall fund is not important. What is important is that every recognized alliance has the ability to raise its own funds and those funds are reserved for its use and its use alone. The SUNLAND-TUJUNGA Neighborhood Council wants the ability to direct our funds to a specific alliance and not to a fund that is allocated without our input. We ask the motion be amended to make this clear.
 - b. Discussion/Possible action: LA City Council has resumed in-person meetings, but they are not planning to continue to allow public comment via telephone. The current city council agenda states: “Members of the public may also attend City Council meetings in-person. Public comment will be taken in-person, only, and not via teleconference. **“The SUNLAND-TUJUNGA Neighborhood Council requests that the City Council again allow remote participation in City Council meetings, by telephone or online means, in addition to in-person public comment.”**”
 - c. Discussion/Possible Action: School Police on LAUSD Campuses. School Police Officers are not allowed on Los Angeles Unified School District (LAUSD) school campuses. On July 15, 2021, the Valley Alliance of Neighborhood Councils (VANC) unanimously passed the following resolution: The Valley

Alliance of Neighborhood Councils (VANC), representing the 34 Neighborhood Councils throughout the San Fernando Valley, views the safety of our children and school staff of utmost importance, and strongly supports the resolution of School Board Members Scott Schmerelson and Dr. George McKenna, Resolution Number 029-20/21, entitled Ensuring Local School Site and Community Control, Authority, Autonomy and Choice Regarding Safe Campuses and the Protection of Our Students and Staff. The Valley Alliance of Neighborhood Councils (VANC) strongly supports local control by each school site and school community to allow the Los Angeles School Police onto LAUSD school campuses, ensuring safe campuses and the protection of our students and staff. The Schmerelson/McKenna Resolution did not pass at the LAUSD School Board meeting, so School Police are still not allowed on school campuses. In light of the school shooting in Texas on May 24, 2022 the LAUSD School Board should reconsider stationing of School Police on LAUSD campuses, re-funding the School Police Department, and hiring additional School Police Officers. Therefore the **Sunland-Tujunga Neighborhood Council supports the VANC resolution supporting local control.**
