6. Discussion/Action: Motion of Support/Non Support for [CF 23-0002-s100](#) which is City Council Support for AB 1990 This bill (AB 1990) would authorize a peace officer to make a warrantless arrest for a misdemeanor shoplifting offense not committed in the officer's presence if the officer has probable cause to believe that person has committed shoplifting. Existing law requires a peace officer to release upon a signed promise to appear any person arrested for a misdemeanor, unless the person demands to be taken before a magistrate. Existing law provides certain reasons a person arrested for a misdemeanor shall not be released including that the person is intoxicated or in need of medical attention, the person is unable to provide satisfactory proof of identification, or there are outstanding arrest warrants for the person. Additionally, existing law exempts from this provision persons arrest for specified crimes including domestic violence, stalking, threatening a witness, and, until January 1, 2026, organized retail theft. This bill would additionally exempt a person arrested for shoplifting from the requirement that they be released on citation.
