### SECTION II - PROJECT DESCRIPTION

#### 4) Please describe the purpose and intent of the grant.

Project Breaking Barriers works with community and business partners to provide immersive experiences in career exploration and leadership development for youth aged 13 - 20. This grant will support the delivery of the IGNITE program. This program is offered during the Los Angeles Unified School District spring and summer breaks free of charge to students who are from low to moderate income families and underserved communities.

The grant will be utilized to address the cost of providing meals and transportation for 30 - 35 participants per session as well as the cost of liability insurance for three - one week IGNITE programs in 2026.

#### 5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

This grant will allow our organization to offer a career and leadership development program to low-income and underserved youth that is grounded in education, equity, and economic advancement. Our work advances educational outcomes by providing structured learning experiences that build career awareness, workforce readiness, and leadership skills—competencies that are often inaccessible to youth facing economic and systemic barriers. Through mentorship, skills training, and exposure to professional pathways, these programs prepare young people for postsecondary education, meaningful employment, and long-term success. The IGNITE Program accomplishes these outcomes by delivering a unique and highly motivating experience for youth.

### SECTION II - PROJECT DESCRIPTION

- 4) **Please describe the purpose and intent of the grant.**

We propose utilizing the grant funds to enhance the aesthetic appeal, safety, and school spirit within our community. Our vision includes displaying the school name on our fence using cups in our school colors, creating a vibrant and spirited visual that welcomes students, parents, and neighbors. Placing this signage along Lemay St. on our rear fence helps reinforce that the school is active and valued part of the neighborhood, while also potentially deterring individuals from assuming the area is empty or unoccupied. Additionally, we aim to commission two murals for our school walls, further beautifying the campus and fostering a warm, inviting atmosphere for everyone who visits or passes by.

- 5) **How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)**

The grant will be used to support our school environment by purchasing a fence sign with the school name and mascot. This will promote school spirit and beautification. It will also inform our community about our school as the rear location is unmarked along Lemay St. The mural and sign will help the aesthetic appeal of our school for our community, creating an inviting atmosphere for our students, parents, and community.
