Comments from the public on other matters not appearing on the agenda that are within the Board's jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future Board meeting. Public comment is limited to two minutes per speaker, unless adjusted by the presiding officer of the Board.

Ways We Work

- **Discussion Order:** Public Comment → Board Discussion → Motion ● **Raise your hand to speak.** You must be recognized by the President before speaking to ensure everyone who wishes to speak gets a chance to add their voice.
- **Be respectful and professional.** Disagreeing with someone's opinion is fine and expected, but always treat one another with respect.
- **Use time wisely.** Make sure your comments are relevant to the topic and unique.

- **No cross-talk.** Pay attention to the person who's speaking and leave the room if you need to have a side conversation.
- **Be brief.** Limit your comments to 90 seconds or a time set by the Chair.

Meeting Agenda

I. Welcoming remarks

- 1. Call to order**
- 2. Roll Call**
- 3. Inclusivity Statement**

Welcome! Before we get started, I'll read some accountability language to help ground us in our commitment to being an actively safe space. This is a reminder that not everyone in this meeting exists within the gender binary and so each of us needs to hold ourselves and others accountable to honoring and uplifting the existences of all gender expansive humans. Please use gender neutral language when referring to the group: everyone, folks, friends, members are all great options. Gendered language such as brothers and sisters or ladies and gentlemen are not inclusive of the community we represent. We ask ourselves and each other to remember to never assume anyone's gender. Additionally, if we don't know someone's pronouns, we can either share our own pronouns and ask for theirs or use gender-neutral language. If one of us does make a misstep or hears someone accidentally misgender someone, please gently make a correction and move forward. It's important that we make this space an example for all political spaces. We are committed to creating and sustaining an actively safe space for underrepresented voices and so by joining the Alliance or attending as a member of the public, we ask that you join us in our commitment to active inclusivity. Our hope is we never let agendas, structure, or end goals become more precious than the humans we are meant to represent and uplift.

4. Land Acknowledgement

As we gather to meet on the unceded land of the Chumash, Tongva, and Kizh peoples, I ask you to join me in acknowledging these communities, generations past, present, and future, as well as the exclusions, erasures, and injustices suffered, upon which our Committee, neighborhood Council, City, and institutions are founded. This acknowledgment demonstrates our commitment to better understand and to begin to work to dismantle the ongoing legacies of settler colonialism.

Committee Notes: Across the nation, large companies are buying up single family homes and small subdivided lots from 'mom and pop' landlords. Motion: SUPPORT item as written

This will be addressed to the California Highway Patrol and Los Angeles Department of Transportation regarding the necessity for the addition of left turn signal lights/indicators (2) and electronic speed limit meters (2) running both east and west at Olympic and S. Normandie Avenue. This intersection represents a particularly lethal nexus on one of our many high-incident corridors within our NC boundaries; these measures are a vital first step towards better protecting our pedestrians and cyclists.
