6. STAKEHOLDER REQUEST FOR ASSISTANCE

WHWCNC received a request for assistance from stakeholder Jonathan Kaminski, for help with a restriction of parking between 5368 and 5358 Calatrana Drive. He observed that neighbors have previously been able to obtain this during construction for restricted parking at 5362 Baza Ave along that street and 21701 Costanso St. He wants our assistance in doing the same. This is his initial email:

I live at 5358 Calatrana dr. The parking situation at the beginning of
> the street is a mess. Recently, while the water main was being
> replaced, Tendilla Ave residence were able to implement restricted
> parking as the street was shut down and many people from my street
> started parking there. I'm requesting that the same happen here. I
> have too many people storing their cars there; workers from Ventura
> Blvd shops/restaurants use it as a parking spot while they go to work.
> This isn't right; people that live at my home and guest always have
> difficulty finding parking because people store their cars there and
> workers use it so they can provide parking to their patrons. Please
> help me make this equitable!!!
