

CITY OF LOS ANGELES  
BEFORE THE EMPLOYEE RELATIONS BOARD

E.R.B. NO. 534

IN THE MATTER OF

City of Los Angeles  
Public Employer

and

International Brotherhood of  
Electrical Workers, Local Union 18

PETITION NOS.

C875

DECISION AND ORDER AMENDING CERTIFICATION

On July 21, 2016, International Brotherhood of Electrical Workers, Local 18 (IBEW) filed a petition requesting accretion of the classification of Maintenance Assistant (DWP) (Class Code 3108) into the DWP Operating Maintenance and Service Unit and the amendment of its certification as the exclusive representative of that unit. On November 1, 2016, notice of the filing of the petition was posted at locations where notices to employees are customarily posted. No other employee organization petitioned to represent the class and at the November 21, 2016 meeting of the Employee Relations Board ("Board"), the Personnel Department expressed no opposition to the petition.

It appears to the satisfaction of the Board that the action agreed upon by the parties is appropriate and the Board accordingly finds that the class of Maintenance Assistant (DWP) (Class Code 3824) should be accreted to the DWP Operating Maintenance and Service Unit.

NOW, THEREFORE, pursuant to the powers vested in the Los Angeles City Employee Relations Board by the Employee Relations Ordinance of 1971, as amended, it is hereby ORDERED that the certification of the International Brotherhood of Electrical Workers, Local 18 as the exclusive representative of the DWP Operating Maintenance and Service Unit, dated November 12, 1974, be, and the same hereby is, amended in accordance with this decision.

BY ORDER OF THE BOARD
