

LOS ANGELES CITY EMPLOYEE RELATIONS BOARD

CITY OF LOS ANGELES
BEFORE THE EMPLOYEE RELATIONS BOARD

E.R.B. NO. 535

IN THE MATTER OF

City of Los Angeles
Public Employer

and

Engineers and Architects
Association

PETITION NOS.

C876

DECISION AND ORDER AMENDING CERTIFICATION

On January 10, 2017, Engineers and Architects Association (EAA) filed a petition requesting accretion of the classification of Senior Fire Statistical Analyst (Class Code 1639) into the Administrative Unit and the amendment of its certification as the exclusive representative of that unit. On February 27, 2017, notice of the filing of the petition was posted at locations where notices to employees are customarily posted. No other employee organization petitioned to represent the class and at the April 27, 2017 meeting of the Employee Relations Board ("Board"), the Personnel Department expressed no opposition to the petition.

It appears to the satisfaction of the Board that the action agreed upon by the parties is appropriate and the Board accordingly finds that the class of Senior Fire Statistical Analyst (Class Code 1639) should be accreted to the Administrative Unit.

NOW, THEREFORE, pursuant to the powers vested in the Los Angeles City Employee Relations Board by the Employee Relations Ordinance of 1971, as amended, it is hereby ORDERED that the certification of the Engineers and Architects Association as the exclusive representative of the Administrative Unit, dated June 17, 1980, be, and the same hereby is, amended in accordance with this decision.

BY ORDER OF THE BOARD

R. Douglas Collins, Chairman
