E.R.B. NO. 536

IN THE MATTER OF

City of Los Angeles
Public Employer

PETITION NOS.

and

C877

International Brotherhood of Electrical
Workers Local 18

DECISION AND ORDER AMENDING CERTIFICATION

On March 13, 2017, International Brotherhood of Electrical Workers Local 18 (IBEW Local 18) filed a petition requesting accretion of the classification of Electrical Test Technician Supervisor (Class Code 7518) into the DWP Supervisory Blue Collar Unit and the amendment of its certification as the exclusive representative of that unit. On April 24, 2017, notice of the filing of the petition was posted at locations where notices to employees are customarily posted. No other employee organization petitioned to represent the class and at the May 22, 2017 meeting of the Employee Relations Board ("Board"), the Personnel Department expressed no opposition to the petition.

It appears to the satisfaction of the Board that the action agreed upon by the parties is appropriate and the Board accordingly finds that the class of Electrical Test Technician Supervisor (Class Code 7518) should be accreted to the DWP Supervisory Blue Collar Unit.

NOW, THEREFORE, pursuant to the powers vested in the Los Angeles City Employee Relations Board by the Employee Relations Ordinance of 1971, as amended, it is hereby ORDERED that the certification of the International Brotherhood of Electrical Workers Local 18 as the exclusive representative of the DWP Supervisory Blue Collar Unit, dated September 25, 2017, be, and the same hereby is, amended in accordance with this decision.

BY ORDER OF THE BOARD

R. Douglas Collins, Chairman
