SUMMARY

The Los Angeles Department of Transportation (LADOT) recommends the conversion of Temporary Preferential Parking District (TPPD) No. 10 in Council District (CD) 12 to Preferential Parking District (PPD) No. 10 and expansion of its boundaries.

RECOMMENDATIONS

1. FIND that the overflow of parking associated with vehicles from the densely populated area immediately east of the 405 Freeway cause adverse parking impacts on the adjacent residential blocks from which the residents deserve immediate relief.

2. FIND that the conversion of TPPD No. 10 to PPD No. 10 and its expansion, pursuant to Los Angeles Municipal Code (LAMC) Section 80.58.d, is exempt from the California Environmental Quality Act (CEQA) as a Class 1 Categorical Exemption, under Article III.1.a.3 of the 2002 Los Angeles City CEQA Guidelines.

3. ADOPT the accompanying Resolution to convert TPPD No. 10 to PPD No. 10 and expand its boundaries, pursuant to the City Council’s November 6, 2018 “Rules and Procedures for Preferential Parking Districts,” which currently includes the following blocks:

   - Tupper Street between Gloria Avenue and Haskell Avenue
   - Haskell Avenue between Tupper Street and Nordhoff Street
   - Nordhoff Street between Haskell Avenue and Gloria Avenue
   - Gloria Avenue between Nordhoff Street and Tupper Street

Expansion to include the streets within the residential area bounded by both sides of the block (unless specified otherwise):

   - Tupper Street between Haskell Avenue and the dead end west of the 405 Freeway
   - Aqueduct Avenue between Tupper Street and Rayen Street
   - Rayen Street between Aqueduct Avenue and the dead end west of the 405 Freeway
4. AUTHORIZE the following parking restrictions for use on the residential portions of all streets in PPD No. 10:

- NO PARKING 8 AM TO 5 PM SCHOOL DAYS; VEHICLES WITH DISTRICT NO. 10 PERMITS EXEMPT
- 2 HOUR PARKING 8 AM TO 6 PM; VEHICLES WITH DISTRICT NO. 10 PERMITS EXEMPT
- NO PARKING 6 PM TO 8 AM, 2 HOUR PARKING 8 AM TO 6 PM; VEHICLES WITH DISTRICT NO. 10 PERMITS EXEMPT
- NO PARKING 8 AM TO 6 PM; VEHICLES WITH DISTRICT NO. 10 PERMITS EXEMPT
- NO PARKING 6 PM TO 8 AM; VEHICLES WITH DISTRICT NO. 10 PERMITS EXEMPT

5. INSTRUCT LADOT to initiate the necessary procedures for the preparation and sale of parking permits to residents within PPD No. 10, as specified in Section 80.58 of the LAMC.

6. DIRECT LADOT to post or remove the authorized parking restrictions in the residential area enumerated in Recommendation No. 3, except for areas where parking is currently prohibited in the interest of traffic flow or public safety.

7. Direct LADOT to post or remove the authorized parking restrictions upon receipt and validation of petitions containing signatures from at least 75 percent of the dwelling units, covering more than 50 percent of the developed frontage on a street segment requesting installation or removal of the parking restrictions set forth in Recommendation No. 4, after the conversion of this TPPD to a PPD by the City Council, without further action by the City Council.

BACKGROUND

On June 14, 1983, City Council adopted TPPD No. 10 (CF 82-1773) to provide relief for residents from the adverse impact from visitors of the adjacent businesses who monopolized the on-street parking and prevented residents from parking near their homes. At the time of its establishment, LADOT issued a moratorium on new PPDs due to a staff shortage, which limited the option to create a larger, more desirable permit parking district.

The “Rules and Procedures for Preferential Parking Districts” approved by the City Council on November 6, 2018, allows LADOT to recommend the expansion of a PPD provided all the procedures are followed, and the Program Criteria are found to be generally satisfied.

Parking is currently allowed; therefore, the expansion of this PPD falls within the Class 1 Categorical exemption of section 15301(c) of the State CEQA Guidelines and of the 2002 City CEQA Guidelines, Article III.1.a.3.
DISCUSSION

On November 30, 2018, LADOT received a letter from Councilmember Mitchell Englander, and on April 23, 2021, LADOT received a letter from Councilmember John Lee requesting the conversion of TPPD No. 10 to PPD No. 10 and expansion of its boundaries to include the residential area enumerated in Recommendation No. 3 above. The letters indicated that the overflow of parking associated with vehicles from the densely populated areas immediately east of the 405 Freeway caused adverse parking impacts on the adjacent residential blocks from which the residents deserved immediate relief. Residents who reside in CD 6 and CD 7 have more restrictive parking signs that are causing their residents to monopolize the on-street parking in the residential portions of CD 12 that currently have less restrictive parking restrictions posted. Councilmember John Lee, LADOT, and the North Hills West neighborhood residents believe the conversion of TPPD No. 10 to PPD No. 10, and its expansion would provide parking relief to the residents of the area.

Residents of the blocks listed below provided signed petitions. A block is defined as a street segment between two intersecting streets. The following petitions represent at least 75 percent of dwelling units on both sides of the street, covering more than 50 percent of the developed frontage on each block:

- Haskell Avenue between Nordhoff Street and Rayen Street
- Haskell Avenue between Rayen Street and Parthenia Street
- Haskell Avenue between Parthenia Street and Napa Street
- Haskell Avenue between Napa Street and Chase Street

Parking Analysis

LADOT staff conducted a parking study on Friday, April 26, 2019, from 9:30 PM to 11:00 PM and determined that at least 85 percent of the parking spaces on the following three blocks were occupied, thus satisfying the parking study criteria set forth in the “Rules and Procedures for Preferential Parking Districts”:

- Haskell Avenue between Rayen Street and Parthenia Street
- Parthenia Street between Haskell Avenue and Aqueduct Avenue
- Haskell Avenue between Parthenia Street and Napa Street

FISCAL IMPACT STATEMENT

Revenue from the sale of permits will cover the cost of implementing, administering, and enforcing PPD No. 10. Violations of the posted parking restrictions may result in citation fines deposited into the General Fund.

Re: Request to Extend Area of Preferential Parking District No. 10

Dear Ms. Reynolds:

Over the last several years, my Office has worked with your Department and members of the community about the lack of available parking along Haskell Avenue and Nordhoff Street in the residential community. The residents of this community are seeking immediate relief from the overflow of parking associated with vehicles from outside the community and other Council Districts. Creating a Preferential Parking District will allow permitted vehicles to be parked on the street and ease parking for residents and their guests.

Preferential Parking District Number 10 (PPD 10) was established in the vicinity north of Nordhoff. While this provided relief to those residents, it appears that the parking concerns remain for residents south of Nordhoff along Haskell. In order to adequately address the growing demand for parking and continuing to meet demand, I request that PPD 10 be extended to include the following geographical boundaries:

- Both sides of Haskell Avenue from Nordhoff St to Chase St

Once amended to extend to these streets, I support the use and posting of “No Parking 6 pm to 8 am; 2 Hour Parking 8 am to 6 pm. – WITH DISTRICT PERMITS EXEMPT” parking restrictions on these streets within the PPD 10, once the requisite petitions are submitted and approved.

Thank you for your consideration of this matter and I hope to have this parking district amendment in place as expeditiously as possible. If you have further questions, please contact my Transportation Deputy, Eric Moody, at eric.moody@lacity.org or (818) 882-1212.
