Subject: ESTABLISHMENT OF PREFERENTIAL PARKING DISTRICT NO. 301 IN THE DEL REY AREA OF COUNCIL DISTRICT 11

SUMMARY

The Los Angeles Department of Transportation (LADOT) recommends the establishment of Preferential Parking District (PPD) No. 301 in the Del Rey area of Council District (CD) 11.

RECOMMENDATIONS

1. FIND that the employees and customers of the adjacent commercial businesses adversely impact on-street parking on the adjacent residential blocks from which the residents deserve immediate relief.

2. FIND that the establishment of PPD No. 301, pursuant to Los Angeles Municipal Code (LAMC) Section 80.58.d, is exempt from the California Environmental Quality Act (CEQA) as a Class 1 Categorical Exemption, under Article III.1.a.3 of the 2002 Los Angeles City CEQA Guidelines.

3. ADOPT the accompanying Resolution establishing the boundaries of PPD No. 301, pursuant to the City Council’s November 6, 2018, “Rules and Procedures for Preferential Parking Districts,” to include all blocks within the residential area bounded by the blocks indicated below:

   • Los Angeles city limit south of Washington Boulevard between Centinela Avenue and Inglewood Boulevard
   • centerline to the west side of Inglewood Boulevard between Los Angeles city limit south of Washington Boulevard and Culver Boulevard
   • centerline to the north side of Culver Boulevard between Inglewood Boulevard and Centinela Avenue
   • centerline to the east side of Centinela Avenue between Culver Boulevard and Los Angeles city limit south of Washington Boulevard

4. AUTHORIZE the following parking restrictions for use on the residential portions of all blocks in PPD No. 301:
5. INSTRUCT LADOT to initiate the necessary procedures for the preparation and sale of parking permits to residents within PPD No. 301, as specified in Section 80.58 of the LAMC.

6. DIRECT LADOT to post or remove the authorized parking restrictions on the residential portions of all blocks within the block segments enumerated in Recommendation No. 3, except for areas where parking is currently prohibited in the interest of traffic flow or public safety.

7. DIRECT LADOT to post or remove the authorized parking restrictions upon receipt and validation of petitions containing signatures from at least 75 percent of the dwelling units, covering more than 50 percent of the developed frontage on a street segment requesting installation or removal of the parking restrictions set forth in Recommendation No. 4, without further action by the City Council.

BACKGROUND

The Preferential Parking Program is set forth in Section 80.58 of the LAMC. It provides for the establishment of a PPD by resolution of the City Council, upon recommendation by LADOT, and authorizes the Department to promulgate rules and procedures to implement the City’s Preferential Parking Program, which must be approved by the City Council. A request from a representative of the affected neighborhood group or by the area’s Councilmember initiates the establishment of a PPD. However, the area must meet the criteria set forth in the “Rules and Procedures for Preferential Parking Districts” adopted by the City Council before establishment or expansion may be allowed.

The “Rules and Procedures for Preferential Parking Districts” approved by the City Council on November 6, 2018, allows LADOT to recommend a PPD provided all the following conditions are met:

1. Submittal and verification of petitions requesting such action signed by the residents of at least 75 percent of the dwelling units, covering more than 50 percent of the developed frontage on a minimum of six blocks.

2. Occupancy of at least 85 percent of the legal on-street parking spaces on a minimum of four blocks as determined by LADOT.

3. Board of Transportation Commissioners conducts a public hearing for the purpose of receiving comments on the preliminary findings and recommendations of LADOT.
Residents of the area designated as a PPD may purchase special parking permits. Vehicles bearing such permits are exempt from the preferential parking restrictions posted within the district for which the permit was issued. The exemption only applies to the preferential parking regulations on those signs, not to regulations of a general nature installed for traffic movement or street cleaning purposes. Parking is currently allowed in the area, and the establishment of this PPD involves negligible or no expansion to existing use; therefore, the establishment of this PPD falls within the Class 1 Categorical exemption of Section 15301(c) of the State CEQA Guidelines and of the 2002 City CEQA Guidelines, Article III.1.a.3.

DISCUSSION

On March 30, 2018, LADOT staff met with CD 11 staff and residents of this Del Rey neighborhood to discuss the parking issues affecting the area. The residents indicated a lack of available parking on their blocks due to the employees and customers of the adjacent commercial businesses who park in the neighborhood. The residents expressed their interest in the establishment of a PPD as a solution to the parking problem.

On September 26, 2018, LADOT received the attached letter from Councilmember Mike Bonin requesting the establishment of PPD No. 301. On December 26, 2018, LADOT received the attached revised letter, which included a revision of the blocks to be included in the proposed PPD. Councilmember Bonin, LADOT, and the residents of this community believe the establishment of PPD No. 301 will provide parking relief to the residents of the area.

Residents of the blocks listed below provided signed petitions to establish PPD No. 301. A block is defined as a street segment between two intersecting streets. The petitions represent at least 75 percent of the dwelling units on both sides of the street, covering more than 50 percent of the developed frontage on each block, thus meeting the petition criteria set forth in the “Rules and Procedures for Preferential parking Districts.”

- Grand View Boulevard between Los Angeles city limit south of Washington Boulevard and Louise Avenue
- Grand View Boulevard between Louise Avenue and Gilmore Avenue
- Lindblade Drive between Gilmore Avenue and Green Avenue
- Gilmore Avenue between Grand View Boulevard and Campbell Drive
- Louise Avenue between Campbell Drive and Grand View Boulevard
- Louise Avenue between Grand View Boulevard and Lindblade Drive

Parking Analysis

LADOT staff conducted a parking study on Monday, October 5, 2020, between 10:00 AM and 1:00 PM and determined that at least 85 percent of the parking spaces on the following four blocks were occupied, thus meeting the parking study criteria set forth in the “Rules and Procedures for Preferential Parking Districts.”
• Grand View Boulevard between Los Angeles city limit south of Washington Boulevard and Louise Avenue
• Lindblade Drive between Greene Avenue and Gilmore Avenue
• Gilmore Avenue between Centinela Avenue and Campbell Drive
• Campbell Drive between Los Angeles city limit south of Washington Boulevard and Louise Avenue

FISCAL IMPACT STATEMENT

Revenue from the sale of permits will cover the cost of implementing, administering, and enforcing PPD No. 301. Violations of the posted parking restrictions may result in the depositing of citation fines into the General Fund.

Dear Ms. Reynolds,

My staff has been working with the residents of Grand View Blvd. to address concerns regarding a parking problem that is occurring in their neighborhood. Their streets are in close proximity to a stretch of commercial properties that do not have adequate off-street parking for their employees. The residents in this community are experiencing an overwhelming number of employees that park on their street. This leaves little to no on-street parking for the residents of this community. The residents are seeking immediate relief from this parking problem by requesting the creation of a Preferential Parking district.

I am therefore requesting the establishment of a new Preferential Parking District for the following blocks and the corresponding parking restrictions:

- Grand View Blvd between alley south of Washington Blvd and Louise Ave; “2 hour parking, 8am to 6pm; No Parking 6pm – 8am, except by permit”
- Campbell Dr. between alley south of Washington Blvd and Louise Ave; “2 hour parking, 8am to 6pm; No Parking 6pm – 8am, except by permit”
- Louise Ave between Centinela and Campbell Dr; “2 hour parking, 8am to 6pm, Monday - Saturday, except by permit”
- Louise Ave between Campbell Dr and Grand View Blvd; “2 hour parking, 8am to 6pm, Monday - Saturday, except by permit”
- Louise Ave between Grand View Blvd and Lindblade Dr; “2 hour parking, 8am to 6pm, Monday - Saturday, except by permit”
- Grandview Blvd between Louise Ave and Gilmore Ave; “2 hour parking, 8am to 6pm, Monday - Saturday, except by permit”

Please proceed with the implementation of this Preferential Parking District. If you have any questions please contact Chuy Orozco on my staff at 310-568-8772. Thank you.
