Initiated By

On June 9, 2023, Lifeline submitted a "Request For Hearing Before The Board of Transportation Commissioners (Attachment 1) pursuant to Board Order 600, Section H.

**DISCUSSION**

On May 23, 2023, at approximately 8:20 a.m., a Department Investigator observed Lifeline Ambulance, Unit #405, License Plate LIFE405, (VIN #1FDWE3FS2GDC55964) enter the parking lot of Providence Holy Cross Medical Center, 15031 Rinaldi St, Mission Hills, CA 91345. The Investigator approached the driver and, after identifying herself, requested to see the LADOT permit for the driver, identified as Enrique Tapia Huerta (Tapia). Tapia was unable to present a valid current LADOT Driver or Attendant permit. The Investigator issued Hearing Notice #100363 to Tapia for violation of LAMC §71.03(a). The Administrative Hearing was scheduled for 10:00 a.m. on June 1, 2023. (Attachment 2)

### Additional Information

A review of the Taxicab Ambulance and Vehicle for Hire Information System (TAVIS) found the following facts regarding Tapia's permit history:

On March 1, 2023, Lifeline submitted an Ambulance Driver Permit Application for Tapia. TAVIS assigned permit #607679 to the application. TAVIS indicates that the Driver Questions and Fees were never received for this application and it was expired by the administration staff on May 01, 2023. (Attachment 3)

On April 20, 2023, a new application for Tapia was submitted by Lifeline. This application predates the expiration date for the prior application (permit #607679) by 10 days. TAVIS assigned permit #626906 to this application. Permit #626906 was not issued to Tapia until June 7, 2023. (Included with Attachment 3)

At the time of the observation, Tapia did not possess a valid current ambulance driver permit.

### Administrative Hearing

The hearing was scheduled for June 1, 2023. The company was notified through the Hearing Notice and the TAVIS system. Investigator Marlene Prado (Prado) attended the hearing; however, Lifeline failed to appear or send a company representative. Investigator Prado concluded that the violation had occurred and assessed a Monetary Penalty of \$750.00.

### **PROPOSED DISCIPLINARY ACTION**

It is staff's recommendation that the Board approve the assessment of the Monetary Penalty of \$750.00 and advise Lifeline that payment must be received by the Department within 30 calendar days of the Board's decision.
