PUBLIC INPUT AT MEETINGS - The public may comment on any matter that is within the jurisdiction of the Board during public comment. Members of the public are invited to address the Board on any agenda item prior to action by the Board on a specific item.

Comments from the public will be limited to two (2) minutes per individual, with ten (10) minutes total allowed for public presentation. Members of the public who wish to address the Board are urged to complete a Speaker Card and submit it to the Board Secretary prior to commencement of the public meeting. The cards are available in the Fire Commission Meeting Room.

CONSENT ITEMS - Designed to minimize the meeting time relative to routine matters, the documentation provided to the Board for these items contains sufficient information for approval without inquiry or discussion. The President will call for a vote on the Consent Agenda as a whole. The Board's vote will be treated as separate votes for each item considered. Any item may be moved to the Regular Agenda for discussion at the request of a Board member or if a member of the general public submits a request to speak on the subject matter, prior to the vote.

DISPOSITION OF ITEMS - Actions of the Board shall become final at the expiration of the next five (5) meeting days of the City Council during which the Council has convened in regular session, unless the Council acts within that time by two-thirds vote to bring the action before it or to waive review of the action.
