PSC-2. Applicable Law, Interpretation and Enforcement

Each party’s performance shall comply with all applicable laws of the United States of America, the State of California, and CITY, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. CONTRACTOR shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to CONTRACTOR.

In any action arising out of this Contract, CONTRACTOR consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

A. This Contract has been signed on behalf of CONTRACTOR by the person or persons authorized to bind CONTRACTOR;

B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;

C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and

D. This Contract has been signed on behalf of CITY by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.
PSC-4.  Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5.  Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6.  Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of CONTRACTOR shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both CONTRACTOR and Subcontractor, and without any fault or negligence of either of them. In such case, CONTRACTOR shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit CONTRACTOR to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event CONTRACTOR'S delay or failure to perform arises out of a Force Majeure Event, CONTRACTOR agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7.  Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.
PSC-8. **Suspension**

At CITY'S sole discretion, CITY may suspend any or all services provided under this Contract by providing CONTRACTOR with written notice of suspension. Upon receipt of the notice of suspension, CONTRACTOR shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to CITY until CITY gives written notice to recommence the services.

PSC-9. **Termination**

A. **Termination for Convenience**

CITY may terminate this Contract for CITY'S convenience at any time by providing CONTRACTOR thirty days written notice. Upon receipt of the notice of termination, CONTRACTOR shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. CITY shall pay CONTRACTOR its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by CONTRACTOR to effect the termination. Thereafter, CONTRACTOR shall have no further claims against CITY under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights CITY is entitled to, shall become CITY property upon the date of the termination. CONTRACTOR agrees to execute any documents necessary for CITY to perfect, memorialize, or record CITY'S ownership of rights provided herein.

B. **Termination for Breach of Contract**

1. Except as provided in PSC-6, if CONTRACTOR fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, CITY may give CONTRACTOR written notice of the default. CITY'S default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of CITY. Additionally, CITY'S default notice may offer CONTRACTOR an opportunity to provide CITY with a plan to cure the default, which shall be submitted to CITY within the time period allowed by CITY. At CITY'S sole discretion, CITY may accept or reject CONTRACTOR'S plan. If the default cannot be cured or if CONTRACTOR fails to cure within the period allowed by CITY, then CITY may terminate this Contract due to CONTRACTOR'S breach of this Contract.

2. If the default under this Contract is due to CONTRACTOR'S failure to maintain the insurance required under this Contract, CONTRACTOR shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of
services. CONTRACTOR shall not recommence performance until CONTRACTOR is fully insured and in compliance with CITY’S requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against CONTRACTOR, or if CONTRACTOR makes an assignment for the benefit of creditors, then CITY may immediately terminate this Contract.

4. If CONTRACTOR engages in any dishonest conduct related to the performance or administration of this Contract or violates CITY’S laws, regulations or policies relating to lobbying, then CITY may immediately terminate this Contract.

5. Acts of Moral Turpitude

a. CONTRACTOR shall immediately notify CITY if CONTRACTOR or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws (“Act of Moral Turpitude”).

b. If CONTRACTOR or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, CITY may immediately terminate this Contract.

c. If CONTRACTOR or a Key Person is charged with or indicted for an Act of Moral Turpitude, CITY may terminate this Contract after providing CONTRACTOR an opportunity to present evidence of CONTRACTOR’S ability to perform under the terms of this Contract.

d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.
e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of CONTRACTOR.

6. In the event CITY terminates this Contract as provided in this section, CITY may procure, upon such terms and in the manner as CITY may deem appropriate, services similar in scope and level of effort to those so terminated, and CONTRACTOR shall be liable to CITY for all of its costs and damages, including, but not limited to, any excess costs for such services.

7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that CONTRACTOR was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.

8. The rights and remedies of CITY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

C. In the event that this Contract is terminated, CONTRACTOR shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-10. Independent Contractor

CONTRACTOR is an independent contractor and not an agent or employee of CITY. CONTRACTOR shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of CITY.

PSC-11. Contractor’s Personnel

Unless otherwise approved by CITY, CONTRACTOR shall use its own employees to perform the services described in this Contract. CITY has the right to review and approve any personnel who are assigned to work under this Contract. CONTRACTOR shall remove personnel from performing work under this Contract if requested to do so by CITY.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of CITY. If CITY permits the use of Subcontractors, CONTRACTOR shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. CITY has the right to approve CONTRACTOR’S Subcontractors, and CITY reserves the right to request replacement of any
Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

**PSC-12. Assignment and Delegation**

**CONTRACTOR** may not, unless it has first obtained the written permission of **CITY**:

A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or

B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

**PSC-13. Permits**

**CONTRACTOR** and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

**PSC-14. Claims for Labor and Materials**

**CONTRACTOR** shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 et seq. of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

**PSC-16. Retention of Records, Audit and Reports**

**CONTRACTOR** shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding
performance of this Contract. Any subcontract entered into by CONTRACTOR for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, CONTRACTOR may, upon CITY'S written approval, submit the required information to CITY in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

**PSC-17. Bonds**

All bonds required by CITY shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 et seq., as amended from to time.

**PSC-18. Indemnification**

Except for the active negligence or willful misconduct of CITY, or any of its boards, officers, agents, employees, assigns and successors in interest, CONTRACTOR shall defend, indemnify and hold harmless CITY and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by CITY, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including CONTRACTOR'S employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by CONTRACTOR, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of CITY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

**PSC-19. Intellectual Property Indemnification**

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the CITY, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by CITY, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by CONTRACTOR, or its Subcontractors, in performing the work under this Contract; or (2) as a result of CITY'S actual or intended use of any Work Product (as defined in PSC-21) furnished by CONTRACTOR, or its Subcontractors, under this Contract. The rights and remedies of CITY provided in this section shall not be exclusive
and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

**PSC-20. Intellectual Property Warranty**

**CONTRACTOR** represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

**PSC-21. Ownership and License**

Unless otherwise provided for herein, all finished and unfinished works, tangible or not, created under this Contract including, without limitation, documents, materials, data, reports, manuals, specifications, artwork, drawings, sketches, blueprints, studies, memoranda, computation sheets, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas, matters and combinations thereof, and all forms of intellectual property originated and prepared by **CONTRACTOR** or its Subcontractors under this Contract (each a “Work Product”; collectively “Work Products”) shall be and remain the exclusive property of **CITY** for its use in any manner **CITY** deems appropriate. **CONTRACTOR** hereby assigns to **CITY** all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. **CONTRACTOR** further agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

**CONTRACTOR** agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

**CONTRACTOR** shall not provide or disclose any Work Product to any third party without prior written consent of **CITY**.

Any subcontract entered into by **CONTRACTOR** relating to this Contract shall include this provision to contractually bind its Subcontractors performing work under this Contract such that **CITY'S** ownership and license rights of all Work Products are preserved and protected as intended herein.
PSC-22. Data Protection

A. CONTRACTOR shall protect, using the most secure means and technology that is commercially available, CITY-provided data or consumer-provided data acquired in the course and scope of this Contract, including but not limited to customer lists and customer credit card or consumer data, (collectively, the “City Data”). CONTRACTOR shall notify CITY in writing as soon as reasonably feasible, and in any event within twenty-four hours, of CONTRACTOR’S discovery or reasonable belief of any unauthorized access of City Data (a “Data Breach”), or of any incident affecting, or potentially affecting City Data related to cyber security (a “Security Incident”), including, but not limited to, denial of service attack, and system outage, instability or degradation due to computer malware or virus. CONTRACTOR shall begin remediation immediately. CONTRACTOR shall provide daily updates, or more frequently if required by CITY, regarding findings and actions performed by CONTRACTOR until the Data Breach or Security Incident has been effectively resolved to CITY’S satisfaction. CONTRACTOR shall conduct an investigation of the Data Breach or Security Incident and shall share the report of the investigation with CITY. At CITY’S sole discretion, CITY and its authorized agents shall have the right to lead or participate in the investigation. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 et seq., of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a Service of Suit clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY’S protection are allowed without the CITY’S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-3, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

BA shall comply with its obligations under this Agreement and with all obligations of a BA under HIPAA, HITECH, and other related laws and any implementing regulations, as they exist at the time this Agreement is executed and as they are amended, for so long as this Agreement is in place. Specifically, the BA will comply with all the obligations and assume the liability for failure to do so as provided for in the Final Rules reflected in the Federal Register, Vol. 78, No. 17, commencing at Page 5677, dated, January 25, 2013 which implements among other things Section 13401 of HITECH.

D. OBLIGATIONS OF BUSINESS ASSOCIATE

BA agrees to comply with applicable federal and state privacy and security laws, specifically the provisions of the HIPAA Administrative Simplification to the extent applicable to business associates.

1. Use and Disclosure of PHI. Except as otherwise permitted by this Agreement or applicable law, BA shall not use or disclose PHI other than as permitted or required by the Agreement or as Required By Law, except as necessary to conduct the practices of the LAFD as described in this Agreement and the Contract to or on behalf of the CE. These activities may include the transmitting or receiving of PHI, as may be required from time to time, to other business associates or covered entities on behalf of CE. BA shall not use or disclose PHI that would violate the HIPAA Rules if used or disclosed by CE. Provided, however,
BA may use and disclose PHI as necessary for the proper management and administration of BA, or to carry out its legal responsibilities. BA shall in such cases:

(a) Provide information to members of its workforce using or disclosing PHI regarding the confidentiality requirements of the HIPAA Final Rules and this Agreement;

(b) Obtain reasonable assurances from the person or entity to whom the PHI is disclosed that: (i) the PHI will be held confidential and further used and disclosed only as Required by Law or for the purpose for which it was disclosed to the person or entity; and (ii) the person or entity will notify BA of any instances of which it is aware in which confidentiality of the PHI has been breached;

(c) Notification to Covered Entity. Agree to notify the designated Privacy Officer of CE of any instances of which it is aware in which the PHI is used or disclosed for a purpose that is not otherwise provided for in this Agreement or for a purpose not expressly permitted by the HIPAA Rules within 72 hours of discovery of the improper use or disclosure. The determination as to whether a use or disclosure for a purpose not provided for by this Agreement is a Breach within the meaning of 45 C.F.R. 164.402 shall be determined by the CE using the criteria determined in 45 C.F.R. 164.402 (2)(i)-(iv) after BA notifies CE of the use or disclosure of the PHI;

(d) Breach Notification. BA agrees to follow 45 C.F.R.164.410 after first notifying CE of the use or disclosure not provided by this Agreement and CE makes a determination that a breach has occurred pursuant to paragraph C(5) of this Agreement; and

(e) For purposes of the Breach Notification provision in 45 C.F.R. 164.410, BA in this Agreement is not the agent of CE.

2. Data Aggregation. In the event that BA works for more than one covered entity, BA is not permitted to use and disclose PHI for data aggregation purposes, however, only in order to analyze data for permitted health care operations, and only to the extent that such use is permitted under the HIPAA Administrative Simplification.

3. De-identified Information. BA may use and disclose de-identified health information if (i) the use is disclosed to CE in writing and permitted in writing by CE in its sole discretion and (ii) the de-identification is in compliance with 45 C.F.R. §164.502(d), and the de-identified health information meets the standard and implementation specifications for de-identification under 45 C.F.R. §164.514(a) and (b).
4. **Safeguards.** BA shall maintain appropriate safeguards to ensure that PHI is not used or disclosed other than as provided by this Agreement or as required by law. BA shall implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of any electronic PHI it creates, receives, maintains, or transmits on behalf of CE.

5. **Minimum Necessary.** BA shall attempt to ensure that all uses and disclosures of PHI which pertain to the billing or operations of the CE are subject to the principle of “minimum necessary use and disclosure,” i.e., that only PHI that is the minimum necessary to accomplish the intended purpose of the use, disclosure, or request is used or disclosed.

6. **Disclosure to Agents and Subcontractors.** If BA discloses PHI received from CE, to agents, including a subcontractor, BA shall require the agent or subcontractor to agree to the same restrictions and conditions as apply to BA under this Agreement. BA shall ensure that any agent, including a subcontractor, agrees to implement reasonable and appropriate safeguards to protect the confidentiality, integrity, and availability of the PHI that it creates, receives, maintains, or transmits on behalf of the CE. BA shall be liable to CE for any acts, failures or omissions of the agent or subcontractor in providing the services as if they were BA’s own acts, failures or omissions, to the extent permitted by law. BA further expressly warrants that its agents or subcontractors will be specifically advised of, and will comply in all respects with, the terms of this Agreement.

7. **Individual Rights Regarding Designated Record Sets.** If BA maintains a Designated Record Set on behalf of CE, BA agrees as follows:

   (a) **Individual Right to Copy or Inspection.** BA agrees that if it maintains a Designated Record Set for CE that is not maintained by CE, it will, in the event any Individual delivers directly to BA a request for access to PHI, in order for CE to respond to such Individual, forward such request to CE in order to meet the requirements of 45 C.F.R. §164.524(a)(1). Under the HIPAA Final Rules, CE is required to take action on such requests as soon as possible, but not later than 30 days following receipt of the request. [45 C.F.R. § 164.524(b)(2).] BA agrees to make reasonable efforts to assist CE in meeting this deadline. The information shall be provided in the form or format requested if it is readily producible in such form or format; or in summary, if the Individual has agreed in advance to accept the information in summary form. A reasonable, cost-based fee for copying health information may be charged. If CE maintains the requested records, CE, rather than BA shall permit access according to its
policies and procedures implementing the HIPAA Administrative
Simplification.

(b) Individual Right to Amendment. BA agrees, if it maintains PHI in a
Designated Record Set, to make the Designated Record Set available
to CE for amendments to PHI pursuant to 45 C.F.R. §164.526.

(c) Accounting of Disclosures. BA agrees to maintain
documentation of the information required to provide an accounting of
disclosures of PHI in accordance with 45 C.F.R. §164.528, and to make
this information available to CE upon CE’s request, in order to allow CE to
respond to an Individual’s request for accounting of disclosures. Under
the HIPAA Final Rules, CE is required to take action on such requests
as soon as possible but not later than 60 days following receipt of
the request. BA agrees to use its best efforts to assist CE in meeting this
deadline. Such accounting must be provided without cost to the
individual or CE if it is the first accounting requested by an individual
within any 12 month period; however, a reasonable, cost-based fee may
be charged for subsequent accountings if BA informs the CE in advance
of the fee and is afforded an opportunity to withdraw or modify the
request. Such accounting is limited to disclosures that were made in the
six (6) years prior to the request (not including disclosures prior to the
compliance date of the HIPAA Administrative Simplification and shall be
provided for as long as BA maintains the PHI.

8. Internal Practices, Policies and Procedures. Except as otherwise
specified herein, BA shall make available its internal practices, policies
and procedures relating to the use and disclosure of PHI, received from
or on behalf of CE to the Secretary or his or her agents for the purpose of
determining CE’s compliance with the HIPAA Rules, or any other health
oversight agency, or to CE. Records requested that are not protected
by an applicable legal privilege will be made available in the time and
manner specified by CE or the Secretary.

9. Notice of Privacy Practices. BA shall abide by the limitations of CE’s
Notice of which it has knowledge. Any use or disclosure permitted by
this Agreement may be amended by changes to CE’s Notice; provided,
however, that the amended Notice shall not affect permitted
uses and disclosures on which BA relied prior to receiving notice of such
amended Notice.

10. Withdrawal of Authorization. If the use or disclosure of PHI in this
Agreement is based upon an Individual’s specific authorization for the
use or disclosure of his or her PHI, and the Individual revokes such
authorization, the effective date of such authorization has expired, or
such authorization is found to be defective in any manner that renders
it invalid, BA shall, if it has notice of such revocation, expiration, or invalidity, cease the use and disclosure of the Individual’s PHI except to the extent it has relied on such use or disclosure, of if an exception under the HIPAA Administrative Simplification expressly applies.

11. **Knowledge of HIPAA Rules.** BA agrees to review and understand the HIPAA Rules as it applies to BA, and to comply with the applicable requirements of the HIPAA Rule, as well as any applicable amendments.

12. **Security Incident.** BA agrees to immediately report to the CE any security incident of which BA becomes aware within 72 hours of discovery of the security incident.

**E. TERM AND TERMINATION**

1. **Term.** The Term of this Agreement shall be effective as of the Effective Date of the Contract, and shall terminate when all of the PHI provided by CE to BA, or created or received by BA on behalf of CE, is destroyed or returned to CE, or, if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.

2. **Termination for Cause.** Upon CE’s knowledge of a material breach by BA, CE shall either:

   (a) Provide an opportunity for BA to cure the breach or end the violation and terminate this Agreement and the Contract if BA does not cure the breach or end the violation within the time specified by CE;

   (b) Immediately terminate this Agreement and the Contract if BA has breached a material term of this Agreement and cure is not possible; or

   (c) If neither termination nor cure is feasible, CE shall report the violation to the Secretary.

3. **Effect of Termination.**

   (a) Except as provided in paragraph (b) of this section, upon termination of this Agreement, for any reason, BA shall return or destroy all PHI received from CE, or created or received by BA on behalf of CE. This provision shall apply to PHI that is in the possession of subcontractors or agents of BA. BA shall retain no copies of the PHI and shall confirm, in writing, to the CE that all PHI has been returned to the CE or destroyed and, state the method of destruction.
(b) In the event that BA determines that returning or destroying the PHI is infeasible, BA shall provide to CE written notification of the conditions that make return or destruction infeasible. Upon discovering that return or destruction of PHI is infeasible, BA shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as BA maintains such PHI.

F. MISCELLANEOUS

1. Indemnification.

(a) To the extent permitted by law, BA agrees to indemnify and hold harmless CE from and against all claims, demands, liabilities, judgments or causes of action of any nature for any relief, elements of recovery or damages recognized by law (including, without limitation, attorney’s fees, defense costs, and equitable relief), for any damage or loss incurred by CE arising out of, resulting from, or attributable to any acts or omissions or other conduct of BA or its agents in connection with the performance of BA’s or its agents’ and/or subcontractor’s duties under this Agreement including and not limited to the cost of breach notification under Paragraph D.1.(d) of this Agreement. This indemnity shall not be construed to limit CE’s rights, if any, to common law indemnity.

(b) CE shall have the option, at its sole discretion, to employ attorneys selected by it to defend any such action described in F(1)(a) above, the costs and expenses of which shall be the responsibility of BA. CE shall provide BA with timely notice of the existence of such proceedings and such information, documents and other cooperation as reasonably necessary to assist BA in establishing a defense to such action.

(c) These indemnities shall survive termination of this Agreement, and CE reserves the right, at its option and expense, to participate in the defense of any suit or proceeding through counsel of its own choosing.

2. Mitigation. If BA violates this Agreement or the HIPAA Rules, BA agrees to mitigate any damage caused by such breach, and bear any such related costs.

3. Rights of Proprietary Information. CE retains any and all rights to the proprietary information, confidential information, and PHI it releases to BA.

4. Survival. The respective rights and obligations of BA under Section
(Effect of Termination) of this Agreement shall survive the termination of this Agreement.

5. Notices. Any notices pertaining to this Agreement, including breach “Notification to the Covered Entity” made pursuant to Paragraph D1(c) of this Agreement, shall be given in writing and shall be deemed duly given when personally delivered to a Party or a Party’s authorized representatives as listed below or sent by means of a reputable overnight carrier, or sent by means of certified mail, return receipt requested, postage prepaid. The Parties, however, agree to amend this Agreement from time to time as necessary, in order to allow CE to comply with the requirements of the HIPAA Rules.

7. Choice of Law. This Agreement and the rights and the obligations of the Parties hereunder shall be governed by and construed under the laws of the State of California, without regard to applicable conflict of laws principles.

8. Assignment of Rights and Delegation of Duties. This Agreement is binding upon and inures to the benefit of the Parties hereto and their respective successors and permitted assigns. However, neither party may assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the other Party, which consent shall not be unreasonably withheld or delayed. Notwithstanding any provisions to the contrary; however, CE retains the right to assign or delegate any of its rights or obligations hereunder to any City department or office in a manner consistent with the HIPAA Rules. Assignments made in violation of this provision are null and void.

9. Nature of Agreement. Nothing in this Agreement shall be construed to create (i) a partnership, joint venture or other joint business relationship between the Parties or any of their affiliates, (ii) any fiduciary duty owed by one Party to another party or any of its affiliates, or (iii) a relationship of employer and employee between the Parties.

10. No Waiver. Failure or delay on the part of either Party to exercise any right, power, privilege or remedy hereunder shall not constitute a waiver thereof. No provision of this Agreement may be waived by either Party except by a writing signed by an authorized representative of the Party making the waiver.

11. Equitable Relief. Any disclosure of misappropriation of PHI by BA in violation of this Agreement will cause CE irreparable harm, the amount of which may be difficult to ascertain. BA therefore agrees that CE shall have the right to apply to a court of competent jurisdiction for specific performance and/or an order restraining and
enjoining BA from any such further disclosure or breach, and for such other relief as CE shall deem appropriate. Such rights are in addition to any other remedies available to CE at law or in equity. BA expressly waives the defense that a remedy in damages will be adequate, and further waives any requirement in an action for specific performance or injunction for the posting of a bond by CE.

12. **Severability.** The provisions of this Agreement shall be severable, and if any provision of this Agreement shall be held or declared to be illegal, invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect as though such illegal, invalid or unenforceable provision had not been contained herein.

13. **No Third Party Beneficiaries.** Nothing in this Agreement shall be considered or construed as conferring any right or benefit on a person not party to this Agreement nor imposing any obligations on either Party hereto to persons not a party to this Agreement.

14. **Headings.** The descriptive headings of the articles, sections, subsections of this Agreement are inserted for convenience only, do not constitute a part of this Agreement and shall not affect in any way the meaning or interpretation of this Agreement.

15. **Interpretation.** Any ambiguity in this Agreement shall be resolved in favor of a meaning that permits CE to comply with the HIPAA rules and any applicable state confidentiality laws. The provisions of this Agreement shall prevail over the provisions of any other agreement that exists between the Parties that may conflict with, or appear inconsistent with, any provision of this Agreement or the HIPAA Rules.

16. **Regulatory References.** A citation in this Agreement to the Code of Federal Regulations shall mean the cited section as that section may be amended from time to time.
