SUMMARY

On December 5, 2018, the City Council approved the recommendation of the Innovation and Performance Commission for a \$350,000 Innovation Grant to the Los Angeles Fire Department (LAFD) to implement the Early Intervention Treatment Pilot Program (C.F. 18-1053). The grant funded a Captain I, Management Analyst and contractual services for a Certified Athletic Trainer. The pilot program has provided treatment to firefighters with minor aches and pains before they become more serious, with the goal of preventing minor medical issues from becoming Workers Compensation claims. Traditionally, 80 percent of LAFD’s Workers Compensation claims are related to soft tissue injuries. Many of these claims are caused by firefighters performing job-related functions that lead to minor aches and pains that, over time, become more serious as a result of overexertion.

On October 13, 2020, following a competitive process, the LAFD entered into a one-year Agreement with Sean D. Higgs for certified athletic trainer services in order to assist the LAFD with the development and implementation of the pilot program. The term of the Agreement was from October 13, 2020 through October 12, 2021, for an amount not to exceed \$100,000.

On November 19, 2021, a First Amendment was executed to extend the contract term by one year, from October 13, 2020 through October 12, 2022, and increase the contract amount by \$100,000, for a total maximum amount not to exceed \$200,000.

On September 29, 2022, a Second Amendment was executed to extend the contract term by one year, from October 13, 2020 through October 12, 2023, and increase the contract amount by \$100,000, for a total maximum amount not to exceed \$300,000.

Mr. Higgs has continued to provide the following three tiers of service in the LAFD’s Injury Prevention Unit (IPU):

- 1) Injury Prevention – Functional Movement Screen (FMS) testing in order to provide corrective movement exercises to reduce the chance of deficient movements

developing into injuries. The FMS screen is now performed on recruit candidates during the Pre-Investigative Questionnaire process, as well as during the recruit orientation, in order to allow them to effectively address any concerns prior to starting the recruit academy, with the intent of increasing retention rates.

- 2) Early Symptom Intervention – Treatment of minor injuries before they manifest into chronic or significant injuries in order to decrease the possibility of Workers Compensation claims.
- 3) Work Hardening/Return to Duty – Providing specific therapy and exercise programs for those who have been off duty for more than six months due to an injury, and are transitioning back to full duty status, in order to reduce the chance of reinjury. Mr. Higgs has successfully integrated himself into the Return to Work process to increase the job readiness for members returning from long term injuries, as well as those recovering from COVID.

Since the inception of the program, the IPU has recorded over 2,612 contacts with LAFD members and recruits. These contacts include the management of 869 initial injury assessments and 554 follow up appointments. The IPU has seen an increase in participation and activity in the calendar year 2022 due to the introduction of a telehealth program and the increase in Drill Tower classes. Over 50% of the injuries incurred by LAFD members involve the back and the shoulders. Through Mr. Higgs' expertise in the public safety and athletic areas, the IPU has developed exercise programs and treatments to address those injuries and to prevent the development of more serious injuries.

The IPU continues to sponsor the customizable orthotics program initially developed with assistance from the Mayor's Innovation Grant and the Los Angeles Fire Department Foundation. To date, over 800 pairs of orthotics have been distributed to drill tower recruits, and, due to the pace of the truncated drill tower schedule, they have been an invaluable tool in limiting chronic low body injuries typically seen in the academy setting. The survey data has been overwhelmingly positive, with the recruits being given orthotics for both their work boots and turnout boots, thus putting their ankles in the anatomically correct position.

Additionally, Mr. Higgs has developed an exercise and injury reduction program delivered on the Wodify app that is being used by the Candidate Assistance Program which prepares them for the rigors of the drill tower, with the intention of reducing injuries and increasing probationary firefighter performance. This fitness and gym management platform app will eventually allow the IPU to organize and distribute fitness and recovery videos and programs to all LAFD members. As the injury prevention needs of the Department transition into a recognized fitness program, this program will be the foundation of a much larger effort to increase the longevity and performance of the LAFD members. Ultimately, the IPU will be the cornerstone of a larger Wellness Section that incorporates fitness, and annual wellness bonus program, behavioral health and injury management, and cost savings.

Furthermore, as a way to increase awareness of wellness and injury prevention strategies specific to firefighters, the IPU, in consultation with Mr. Higgs, has designed the continuing education requirement under the Wellness Program in the Memorandum of Understandings between the City of Los Angeles and the Los Angeles Fire Department Chief Officers Association (MOU #22) and the United Firefighters of Los Angeles City (MOU #23). Members who successfully complete the requirements will qualify for a Wellness Premium.

In order to continue to fully assess the long-term effectiveness of the Early Intervention Treatment Pilot Program and its impact on Workers Compensation claims, the IPU has developed a relationship with the athletic training staff at the California State University, Long Beach (CSULB) in order to analyze injury trends specific to recruit retention rates. The staff at CSULB is continuing to work with the Risk Management Section to determine the correlation between the injury prevention program and a decline in workplace lost days. In order to continue the development of this valuable program, it is critical that the Agreement with Mr. Higgs be extended in order to allow for more sufficient time to ascertain the complete benefit of the program, and to develop new strategies in health and wellness in accordance with the Everyone Goes Home Initiative whose goal is to prevent firefighter line-of-duty deaths and injuries.

As support for the Injury Prevention Program has increased, Mr. Higgs is not only treating injuries and highlighting prevention for tenured members, but he is also embedded in the recruit academy fitness program, as well as designing the program to evaluate fitness and movement quality for firefighter candidates before they are employed. His work has been vital to the continued progress of this program by enabling the LAFD IPU to become one of the leading programs in public safety injury prevention and treatment in the country. Many fire and police departments are now consulting with the LAFD IPU on a regular basis for strategies and tactics as this area of athletic training continues to develop. Should the program be discontinued, the LAFD, including the Recruit Services Section, the Firefighter Recruitment Section, and the Medical Liaison Unit, would be adversely affected.

This Third Amendment will extend the contract term by one year from October 13, 2020 through October 12, 2024, and increase the compensation by \$100,000, for a total maximum amount not to exceed \$400,000.

The Third Amendment has been reviewed and approved by the City Attorney as to legal form.

RECOMMENDATIONS

Higgs to extend the term to provide certified athletic trainer services for one year, from October 13, 2020 through October 12, 2024, and to increase the compensation by \$100,000, for a total maximum amount not to exceed \$400,000, during the term of the Agreement.

2. Transmit the Agreement to the Mayor for review and approval, in accordance with Executive Directive No. 3.

STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-4. Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-8. Suspension

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC-9. Termination

A. Termination for Convenience

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
 - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
 - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-10. Independent Contractor

CONTRACTOR is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

PSC-11. Contractor's Personnel

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

PSC-12. Assignment and Delegation

CONTRACTOR may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-13. Permits

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

PSC-14. Claims for Labor and Materials

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

PSC-15. Current Los Angeles City Business Tax Registration Certificate Required

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

PSC-16. Retention of Records, Audit and Reports

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding

performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC-17. Bonds

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

PSC-18. Indemnification
