**SUMMARY**

The Governor's Office of Emergency Services (Cal OES) has provided ongoing support of the Federal Emergency Management Agency (FEMA) Urban Search and Rescue (US&R) Task Forces throughout the State of California, through funding of training for Agencies supporting US&R Teams. Cal OES has offered monies for training for the various California FEMA Task Force Teams. At this time Cal OES has extended an opportunity to the Los Angeles City Fire Department (LAFD) to exercise our FEMA US&R Task Force. Our FEMA team is sponsored through FEMA, as one of the 28 FEMA US&R Task Forces throughout the country and is identified as California Task Force One (CA-TF1). The participation of CA-TF1 in the National Urban Search & Rescue Response System is established through the Memorandum of Agreement (MOA) between FEMA, the State of California and the LAFD, dated April 4, 1993 and later amended in 2011 (C.F. 10-2283-S1).

On June 12, 2023, Standard Agreement # A221009908 was executed between the LAFD and Cal OES to implement a Mobilization Exercise (MOBEX). In support of the exercise, Cal OES has forwarded Standard Agreement # A2221009908 in the amount of \$519,000.00 to the LAFD. The funding will reimburse the LAFD for backfill/overtime, consumables, support fees, evaluation, and administration for the MOBEX. An extension of the period of performance was approved extending the period of performance to April 30, 2025.

The Department's FEMA US&R Team is composed of 2 teams of 95 members, for a total of 190 members. This exercise will extend over a three-day period. This exercise will consist of mobilization, set up of the staging site, overview of tools, conducting a

search and rescue scenario, the break-down of the site, and rehab of the FEMA US&R cache.

In addition to the total amount authorized under Standard Agreement for the MOBEX, Cal OES will be responsible for payment under this contract up to \$519,000, pursuant to the reimbursement process established by Cal OES. The City must advance payments, and then obtain reimbursement from Cal OES. In exercising the two dedicated CA-TF1 teams, any potential overage in cost may be attributed to the training portion of the 2022 FEMA US&R Readiness Cooperative Agreement (C.F. 22-1423).

As of June 30, 2024, \$519,000.00 remained available for spending in FY 2024-2025 to execute the exercise.

### **FISCAL IMPACT**

There is no impact on the General Fund in FY24/25. The LAFD will cover the expenditures up to \$519,000.00 through the LAFD General Fund 100, Department 38, Account 006020 (Operating Supplies), Account 001012 (Salaries Sworn), Account 001010 (Salaries General), Account 001098 (Variable Staffing), and Account 001090 (Overtime General). Cal OES will reimburse the LAFD a total up to \$519,000.00 (100%).
