SUBJECT: ACCEPTANCE OF DONATED APPLIANCES = ATRS 17-01-0136

SUMMARY

The Crenshaw Christian Center has generously donated appliances to the Fire Stations of Battalion 13. These appliances are used daily and have made a positive impact on the living conditions at these Fire Stations. A list of the donated appliances is attached.

RECOMMENDATION

I respectfully request that these donated appliances be submitted to the Board of Fire Commissioners for acceptance.

FINDINGS

Throughout the years, the Crenshaw Christian Center has generously donated appliances and other items to the surrounding fire stations of Battalion 13 as a token of appreciation for the services we provide to the community. For unknown reasons, some of these appliances have not yet been submitted for acceptance to the Board of Fire Commissioners. These appliances are used daily by all members of the fire stations and have a positive impact on the living and working conditions at them. All Battalion 13 stations were surveyed for donated refrigerators and freezers that have not been accepted by the Department and a list is attached of donated appliances which have not yet been accepted.
