## SUMMARY

Los Angeles Municipal Code Section 11.04 (Ch. 1, Art. 1) provides that any Board, Commission, or Head of a Department may prepare a report setting forth findings regarding the status of unpaid accounts. This report may then be submitted to the Collections Board of Review for appropriate actions. Submitted for this write-off request are 365 uncollected Certified Unified Program Agency (CUPA) fees billed in Fiscal Years 1998-99 through 2012-13 (October 1998 through August 2012) amounting to \$181,618.92.

These accounts were billed following Citywide Collection Guidelines. Accounts totaling 292 originating in Fiscal Year 1998-1999 through Fiscal Year 2011-2012 were submitted to the Citywide Collection Unit for additional collection efforts. These accounts were subsequently returned to the Los Angeles Fire Department (Department) as uncollectible. Accounts totaling 73 billed from September 2009 through August 2012 were referred for additional collection efforts to the City's contractor, NCO Financial Systems, Inc. or Duncan Solutions, and then were referred for an additional six months with the City's secondary collection agency, Harris and Harris. These 365 accounts were subsequently deemed to be uncollectible and were returned to the Department from January 2014 through March 2015.

In line with Citywide Collection Guidelines, the staff of Accounting Services determined that the attached list of unpaid accounts amounting to \$181,618.92 should be written off.

## **RECOMMENDATIONS**

That the Board:

1. Authorize the Fire Chief to refer to the Collections Board of Review all pertinent documentation regarding \$181,618.92 in uncollectible accounts for write-off authority.
2. Forward the attached letter and summary report to the Collections Board of Review for consideration and approval.

## **FISCAL IMPACT**

With the removal of these uncollectible accounts from the Department's outstanding balance, the Department's resources are more efficiently utilized on more recent outstanding accounts. The write-off of these unpaid accounts shall not preclude the City from collecting any sum that later proves to be collectible. Writing off these accounts would be consistent with Generally Accepted Accounting Principles. This is also consistent with existing City policy to reflect the accurate status of accounts in the City's financial statements so as not to overstate the revenue.

Board report prepared by Carmela Espiritu, Department Chief Accountant, Accounting Services Section, Administrative Services Bureau.

Dear Mr. Min:

**Write-Off of Uncollectible Los Angeles Fire Department  
Charges for Certified Unified Program Agency (CUPA) Permit  
Fees for Fiscal Years 1998-99 to 2012-13**

Los Angeles Administrative Code, Chapter 11, Article 1, Section 5.182, provides that the Fire Chief of the Los Angeles Fire Department (LAFD) shall review the status of unpaid accounts to determine whether they are uncollectible. The Fire Chief shall refer those accounts determined to be uncollectible to the Collections Board of Review in accordance with the Los Angeles Municipal Code, Article 1, Section 11.04, for appropriate action.

The LAFD is the Certified Unified Program Agency (CUPA) for the City of Los Angeles. As a CUPA, the LAFD manages six state programs that regulate the use, storage, handling and disposal of hazardous materials and waste. Five of the programs are administered by the LAFD. Through an agreement with the City of Los Angeles, the County of Los Angeles performs the hazardous waste component of the unified program.

Pursuant to Los Angeles Municipal Code Section 57.120.6, a Unified Program Facility (Consolidated) Permit fee invoice includes LAFD fees, Los Angeles County fees, and State oversight charges. Approximately 7,000 invoices are mailed annually to the owners of the regulated businesses. After sixty days from the invoice date, a Penalty Notice with an additional 50% penalty and a letter outlining the consequences of further delinquency is mailed to the business owner. A delinquency letter is mailed to the property owner as well. Ninety days after the original invoice, a Final Notice is generated and a Notice of Non-Compliance is mailed to the business and property owners.

Submitted for this write-off request are 365 accounts for uncollected CUPA permit fees amounting to \$181,618.92. Accounts totaling 292 originating in Fiscal Year 1998-1999 through Fiscal Year 2011-2012 were submitted to the Citywide Collection Unit for additional collection efforts. These accounts were subsequently returned to the Los Angeles Fire Department (Department) as uncollectible. Accounts totaling 73 billed from September 2009 through August 2012 were referred for additional collection efforts to the City's contractor, NCO Financial Systems, Inc. or Duncan Solutions and then were referred for an additional six months with the City's secondary collection agency, Harris and Harris. These 73 accounts were subsequently deemed to be uncollectible and were returned to the Department from January 2014 through March 2015. All of the 365 accounts billed from October 1998 through August 2012 are now past the statute of limitations.

It is recommended that the Collections Board of Review approve the write-off of \$181,618.92 from 365 uncollected CUPA permit fee accounts for Fiscal Years 1998-99 to 2011-12. Accounts totaling 360 are each valued less than \$5,000. Accounts totaling 5 are valued at \$5,685.81.

1. Los Angeles Administrative Code, Chapter 11, Article 1, Section 5.182, provides that the Fire Chief of the LAFD shall review the status of unpaid accounts to determine whether they are collectible. He shall refer those accounts determined to be uncollectible to the Collections Board of Review in accordance with Section 5.182 of the Los Angeles Administrative Code for appropriate action.
2. All of these accounts were billed following Citywide Collection Guidelines. Accounts were submitted to the Citywide Collection Unit or were referred for additional collection efforts to the City's contractor, NCO Financial Systems, Inc., and then were referred for an additional six months with the City's secondary collection agency, Harris and Harris, for additional collection efforts. These accounts were subsequently returned to the Los Angeles Fire Department (Department) as uncollectible. All of the accounts are now past the statute of limitations.
3. Writing off these accounts would be consistent with Generally Accepted Accounting Principles. This is also consistent with existing City policy to reflect the accurate status of accounts in the City's financial statements and not overstate revenue.
4. The following write-off criteria per Citywide Collection Guidelines have been met:
  - a. The amounts are uncollectible;
  - b. The write-off will not prejudice the position of the City;
  - c. All reasonable collection efforts have been exhausted;
  - d. The debtor cannot be located or discharge of bankruptcy has occurred or difficult to collect reasons; and
  - e. The applicable statute of limitations for all 365 accounts for collection of debt has expired. The write-off of these accounts shall not preclude the City from collecting any sum that later proves to be collectible.
