SUBJECT: FIRE FOUNDATION GRANT REQUEST FOR FIRE STATION 80

ATRS 19-05-0033

The members of Fire Station 80 respectfully request the use of funds through the Fire Foundation for the purpose of purchasing a vehicle shelter. There is currently over \$500 in the Fire Station 80 Adopt-A-Fire Station account.

Fire Station 80 was issued a new plug buggy during the month of March 2019. There is no space inside the Fire Station to park the vehicle, therefore it is parked outside. The outdoor parking location for the plug buggy is not covered. This parking location places the vehicle in the elements (i.e. sun, salt air, etc.).

The purchase of a vehicle shelter will keep the vehicle out of the elements, help to preserve the vehicle paint/finish and prolong the life of the vehicle.
