SUMMARY

The Los Angeles Fire Department Foundation (LAFDF), through its Adopt-A-Fire-Station program, has graciously donated a new LG Electronics washer & dryer to Fire Station 108 in Franklin Canyon. The purpose of this donation is to replace the existing units that are over 10 years old and in need of maintenance. The maintenance required is less economical than replacing the machines with more efficient models. The washer and dryer are used for laundry needs for clothing, towels, and other items requiring sanitization, especially as the Department has implemented numerous protocols to reduce the risk of spreading COVID-19 among the station and its members. The value of the donation is \$2,193.53.

Submitted in accordance with the Los Angeles Administrative Code, Article 12, Sections 5.111.3 and 5.111.4, which provides for the receipt of gifts and bequests of personal property to be utilized by the Fire Department, not exceeding \$5000.00 in market value shall be submitted to the Board of Fire Commissioners for acceptance or rejection.

RECOMMENDATION

That the Board:

Approve this report and accept the In-Kind Donation from the LAFDF's Adopt-A-Fire-Station program valued at \$2,193.53 to the Los Angeles Fire Department.

FISCAL IMPACT

There is no fiscal impact to the Department's budget from the acceptance of this donation.

CONCLUSION

The Los Angeles Fire Department benefits tremendously from gracious donations and support provided directly to its fire stations by the Los Angeles Fire Department Foundation. The Los Angeles Fire Department acknowledges and thanks the LAFDF for this donation.

Board report prepared by Peter Sanders, Public Information Director, Community Liaison Office.
