SUMMARY

The Los Angeles Fire Department Foundation (LAFDF), through its Adopt-A-Fire-Station program, has graciously donated a dishwasher to Metropolitan Fire Communications (MFC) in downtown Los Angeles. The purpose of the equipment is to provide sanitary dishware for the members. LAFD firefighters work 24-hour shifts and typically cook their meals at the fire station while on duty. Additionally, due to the ongoing COVID-19 pandemic, firefighters have to be judicious in their decisions to eat meals at neighborhood restaurants, which means firefighters have likely been eating a higher percentage of meals at the fire station than may be typically normal. The value of this donation is estimated at \$4,736.96.

Submitted in accordance with the Los Angeles Administrative Code, Article 12, Sections 5.111.3 and 5.111.4, which provides for the receipt of gifts and bequests of personal property to be utilized by the Fire Department, not exceeding \$5000.00 in market value shall be submitted to the Board of Fire Commissioners for acceptance or rejection.

RECOMMENDATION

That the Board:

Approve this report and accept the In-Kind Donation from the above organization's Adopt-A-Fire-Station program valued at \$4,736.96 to the Los Angeles City Fire Department.

FISCAL IMPACT

There is no fiscal impact to the Department's budget from the acceptance of this donation.

CONCLUSION

The LAFD benefits tremendously from gracious donations and support provided directly to its fire stations and facilities by the Los Angeles Fire Department Foundation. The Department acknowledges and thanks the LAFDF for this donation.
