288	N/A	<p>Complainant alleged five members broke into her apartment. She is almost 89 years old. She alleged members said they have lots of guns and all kinds of crazy things, and one member said he was the Chief, Chief Terrazas and also said he was a policeman, a Captain. The complainant begged them to call the police. She said they threw her out of her apartment. They would not let her get a mask or a jacket or anything. She reported that she cannot hear, so one of the members used an amplifier to talk to her and "grill" her about not having permits for guns that she does not have. They threatened and scared her, and they went through her whole apartment. Members then told her it was a hoax.</p>	External	Unknown	Not Sustained
