**SUMMARY**

The Fire Department (LAFD or Department) is responsible for providing emergency response services, specifically Fire Suppression and Emergency Medical Services (EMS) to the public. The PulsePoint Foundation (PulsePoint) offers a Software-As-A-Service (SAAS) application for mobile devices that enables its subscribers to be notified of the LAFD’s EMS incidents involving persons suffering from sudden cardiac arrest (SCA) distress within a specified proximity of the location of the incident. SCA is a leading cause of death in the United States, and accounts for an estimated 356,000 deaths each year.

Subscribers to the PulsePoint application who receive SCA alerts on the location of an incident can choose to respond to the incident to render cardiopulmonary resuscitation (CPR) and other appropriate assistance prior to the arrival of LAFD’s EMS personnel. The application also provides subscribers with a location indicator for LAFD fire emergencies that are visible by the general public. Additionally, directions to the nearest Automatic External Defibrillator (AED) are also provided. To date, over 161,000 City users have subscribed to the application

On August 2, 2021, the LAFD entered into Agreement No. C-138655 (Agreement) with PulsePoint for their SAAS application, for a period of one (1) year, beginning on January 1, 2021, and ending on December 31, 2021, not to exceed \$28,000 per year, with two (2) one-year optional extensions. On May 5, 2022, the First Amended and Restatement Agreement No. C-138655 was executed in order to exercise the first option to extend the term to December 31, 2022, for a total maximum compensation amount not to exceed \$56,000. On August 23, 2022, the First Amendment to the First Amended and Restated Agreement No. C-138655 was executed in order to exercise the second option to extend the term to December 31, 2023, for a total maximum compensation amount not to exceed \$84,000.

Ensuring Public Safety and the saving of lives in the community are important to the Department. There has been an increase in the number of subscribers of the SAAS application every year since this program was launched. Currently, the Department's bureaus have the following number of subscribers: LAFD Valley – 8,000, LAFD South – 4,800, LAFD Central – 5,500 and LAFD West – 5,800. The SCA alerts containing the location of an incident has helped subscribers render assistance prior to the arrival of LAFD EMS personnel. PulsePoint subscribers are notified of the need for CPR/AED assistance approximately four (4) minutes before the on-duty Fire/EMS personnel arrive on the scene. Last year, there were 784 Public SCA processed, with 406 notifications activated.

This Second Amendment will extend the contract term by one year from January 1, 2021 through December 31, 2024, and increase the compensation by an annual amount of \$28,000, for a total maximum amount not to exceed \$112,000.

The Second Amendment has been reviewed and approved by the City Attorney as to legal form.

### **RECOMMENDATIONS**

That the Board:

1. Approve and authorize the Fire Chief to execute the Second Amendment to Agreement No. C-138655 between the City and PulsePoint Foundation to extend the term for the Software-As-A-Service application for one year, from January 1, 2021 through December 31, 2024, and to increase the compensation for an annual amount of \$28,000, for a total maximum compensation not to exceed \$112,000.
2. Transmit the Agreement concurrently to the Mayor and City Council for review and approval, in accordance with Executive Directive No. 3.

### **FISCAL IMPACT**

There is no impact to the General Fund. Funding for this Agreement is available in the Department's Targeted Destination Ambulance Services (Kaiser) Fund, Fund No. 44R, Account 3844RA.

**SECOND AMENDMENT TO AGREEMENT NUMBER C-138655  
BETWEEN  
THE CITY OF LOS ANGELES  
AND  
PULSEPOINT FOUNDATION  
FOR  
SOFTWARE-AS-A-SERVICE APPLICATION**

**THIS SECOND AMENDMENT** to Agreement No. C-138655 (hereinafter referred to as "Agreement") is made and entered into by and between the City of Los Angeles, a municipal corporation (hereinafter referred to as "City"), acting by and through the Los Angeles Fire Department (hereinafter referred to as "Department" or "LAFD"), and PulsePoint Foundation (hereinafter referred to as "Contractor"), with reference to the following:

**WHEREAS**, the LAFD is responsible for providing Emergency Response Services, specifically Fire Suppression and Emergency Medical Services ("EMS") to the public; and

**WHEREAS**, the LAFD employs various methods to ensure prompt Fire Protection and EMS services, including awareness to the public; and

**WHEREAS**, the Contractor offers a Software-As-A-Service ("SAAS") 9-1-1 connected application for location-aware mobile devices that enables cardiopulmonary resuscitation ("CPR") trained subscribers to be notified of EMS incidents involving persons suffering from sudden cardiac arrest ("SCA") distress within a specified proximity of the location of the SCA incident upon notification from the LAFD; and

**WHEREAS**, the Contractor's SAAS application contains a location-based service that provides its subscribers with a location indicator for LAFD fire emergencies (non-medical) that are visible by the general public; and

**WHEREAS**, the SAAS subscribers who receive SCA alerts will be informed of the SCA incidents, and can choose to respond to those incidents to render CPR and other appropriate assistance prior to the arrival of the LAFD's EMS personnel; and

**WHEREAS**, the Contractor's SAAS application will also provide subscribers with directions to the nearest Automatic External Defibrillator ("AED"); and

**WHEREAS**, SCA is a leading cause of death in the United States and accounts for an estimated 356,000 deaths each year; and

**WHEREAS**, the American Heart Association estimates that effective bystander CPR can significantly improve a person's chance of survival after receiving immediate care and attention; and

**WHEREAS**, LAFD will continue with its normal operations and dispatch its Fire Suppression and EMS resources to all incidents simultaneously with Contractor's notification application; and

**WHEREAS**, the Contractor's SAAS application enables subscribers in the community to provide potentially life-saving assistance to SCA victims prior to the arrival of LAFD's EMS resources; and

**WHEREAS**, pursuant to City Charter Section 371(e)(10), the competitive bidding process is considered to be undesirable and impractical because of the proprietary and unique nature of the SAAS technology application; and

**WHEREAS**, the services to be provided under this Agreement do not require a Charter Section 1022 evaluation because the product source is proprietary and not available to third parties; and

**WHEREAS**, on August 2, 2021, the City entered into this Agreement with the Contractor for a period of one (1) year, beginning on January 1, 2021, and ending on December 31, 2021, not to exceed \$28,000, with two (2) one-year optional extensions, subject to the availability of funds; and

**WHEREAS**, on May 2, 2022, the City entered into a First Amended and Restated Agreement No. C-133901 with the Contractor to exercise the first of two (2) one-year optional extensions to extend the term from January 1, 2021, and ending on December 31, 2022, for a total maximum compensation amount not to exceed \$56,000; and

**WHEREAS**, on August 23, 2022, the City entered into a First Amendment to the First Amended and Restated Agreement No. C-138655 to exercise the second of two (2) one-year optional extensions to extend the term from January 1, 2021 through December 31, 2023, for a total maximum compensation amount not to exceed \$84,000.

**WHEREAS**, the parties now desire in this Second Amendment to Agreement No. C-138655 to extend the term for one year, from January 1, 2021 through December 31, 2024, and to increase the contract amount by \$28,000 for each year, for a total maximum compensation amount not to exceed \$112,000.

**NOW, THEREFORE**, in consideration of the premises, representations, covenants and agreements provided below, the parties agree as follows:

1. **SECTION 2 – TERM OF THE AGREEMENT, Subsection 2.1 Term**, is hereby amended in its entirety to read as follows:

The term of this Agreement shall become effective as of January 1, 2021, and will terminate on December 31, 2024, unless otherwise terminated earlier as provided in this Agreement.

2. **EXHIBIT A, STANDARD PROVISIONS FOR CITY CONTRACTS (Rev. 10/21)[v.4]** is hereby removed and replaced with a new Exhibit A, the Standard Provisions for City Contracts (Rev. 9/22)[v.1], which document is attached to this Second Amendment as Attachment A.

3. **SECTION 7 – MISCELLANEOUS, Subsection 7.1 Standard Provisions**, is hereby amended in its entirety to read as follows:

Contractor shall comply with the Standard Provisions for City Contracts (Rev. 9/22)[v.1], attached hereto as Exhibit A and incorporated by reference as though fully set forth herein.

Each occurrence of the phrase “Standard Provisions for City Contracts (Rev. 10/21)[v.4]” in the Agreement is hereby deleted and replaced with “Standard Provisions for City Contracts (Rev. 9/22)[v.1]”.

4. **EXHIBIT C, PULSEPOINT LICENSING FEE SCHEDULE** is hereby removed and replaced with a new Exhibit C, PulsePoint Licensing Fee Schedule, which document is attached to this Second Amendment as Attachment B.

5. **ORDER OF PRECEDENCE**

In the event of an inconsistency between any of the provisions of this Second Amendment to Agreement No. C-138655 and/or all prior agreements or exhibits/attachments, the inconsistency shall be resolved by giving the previous agreements and/or exhibits/attachments precedence in the following order:

- 1) Second Amendment to Agreement No. C-138655;
- 2) First Amendment to the First Amended and Restated Agreement No. C-138655;
- 3) First Amended and Restated Agreement No. C-138655
- 4) Original Agreement No. C-138655; and
- 5) The Exhibits to the Original Agreement and to all Amendments to Agreement No. C-138655 in ascending alphabetical order.

6. **COUNTERPARTS/NUMBER OF PAGES**

This Second Amendment may be executed in one or more counterparts, and by the parties in separate counterparts, each of which when executed shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. The parties further agree that facsimile signatures or signatures scanned into .pdf (or signatures in another electronic format designated by City) and sent by e-mail shall be deemed original signatures. This Second Amendment includes five (5) pages and two (2) Attachments.

7. Except as amended by the First through the Second Amendments, all terms and conditions of the First Amended and Restated Agreement shall remain unchanged and in full force and effect. The First Amended and Restated Agreement is hereby incorporated by reference in its entirety into this Second Amendment.

## STANDARD PROVISIONS FOR CITY CONTRACTS

### **PSC-1. Construction of Provisions and Titles Herein**

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

### **PSC-2. Applicable Law, Interpretation and Enforcement**

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

### **PSC-3. Time of Effectiveness**

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

#### **PSC-4. Integrated Contract**

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

#### **PSC-5. Amendment**

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

#### **PSC-6. Excusable Delays**

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

#### **PSC-7. Waiver**

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

## **PSC-8. Suspension**

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

## **PSC-9. Termination**

### **A. Termination for Convenience**

**CITY** may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

### **B. Termination for Breach of Contract**

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
  - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
  - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
  - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
  - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
  6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
  7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
  8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

#### **PSC-10. Independent Contractor**

**CONTRACTOR** is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

#### **PSC-11. Contractor's Personnel**

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

**CONTRACTOR** shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

#### **PSC-12. Assignment and Delegation**

**CONTRACTOR** may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

#### **PSC-13. Permits**

**CONTRACTOR** and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

#### **PSC-14. Claims for Labor and Materials**

**CONTRACTOR** shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

#### **PSC-15. Current Los Angeles City Business Tax Registration Certificate Required**

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

#### **PSC-16. Retention of Records, Audit and Reports**

**CONTRACTOR** shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding

performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

#### **PSC-17. Bonds**

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

#### **PSC-18. Indemnification**

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

#### **PSC-19. Intellectual Property Indemnification**

**CONTRACTOR**, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive

and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

**PSC-20. Intellectual Property Warranty**

**CONTRACTOR** represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

**PSC-21. Ownership and License**
