# MOTION

Pursuant to the Audit Action Plan adopted by the Board of Fire Commissioners in May 2006 and recent discussions in the Human Relations Development Committee (HRDC) related to the recruitment of women, recruitment efforts should be increased to include more venues and strategies that will increase the number of women interested in the fire service. The Department is currently drafting a Recruitment Plan that addresses this goal.

I hereby move that \$400,000 of the 2006-2007 HRDC funds be allocated towards the targeted recruitment of women pursuant to a final Recruitment Plan prepared by the Department and approved by the Board of Fire Commissioners.
