The total value of this donation is approximately \$1,851.33.

**Summary.**

All members assigned to Fire Station 10 will have access to the computers, monitors and printers. This equipment will not be connected to Department-owned devices or Department applications. The City will not be responsible for maintenance or replacement of this equipment. It will be maintained strictly through House Dues accounts.

Approval from our Management Information Systems Division is not required for this donation since it will not be hooked up to any City services or software.

**Conclusion:**

The members of Fire Station 10 are very grateful to Mr. Schwartz for his generous donation and support.
