SUBJECT: FIRE STATION 94 IN-KIND DONATION

EMERGENCY  
SERVICES BUREAU

SUMMARY

For the past several months, Fire station 94 has been without a treadmill.

Due to the continued use of a previously purchased unit and the ongoing exposure to construction at the station, it has resulted in the complete failure of this much-needed piece of equipment.

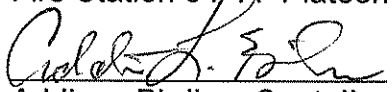

After hearing of our dilemma, Mr. Marc Cohen and the LAFD Foundation have agreed to purchase a treadmill with the value of 1500 dollars and donate it in kind to FS 94.

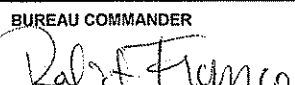

RECOMMENDATION

It is recommended that the Department approve the donation of funds raised by Mr. Cohen and his foundation for the purchase of this piece of equipment. This approval would assure that members are afforded the opportunity to maintain a high level of cardio-vascular fitness as per the LAFD Wellness Program.
