Within the foregoing constraints, **CONTRACTOR'S/CONSULTANT'S** failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which **CITY** may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect **CITY'S** interests and pay any and all premiums in connection therewith and recover all monies so paid from **CONTRACTOR/CONSULTANT**.

D. Workers' Compensation

Name: Rosie Poydras Senior Management Analyst I City Agency: Los Angeles Fire Dept. Address: 200 N. Main St., Room 1660 Los Angeles, CA 90012 TEL: (213) 978-3544 FAX: (213) 978-3415

GENERAL INFORMATION

1. **Project ID** All submissions must identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and dollar amounts** specified on the Insurance Requirement Sheet (Form Gen. 146) included in your CITY documents.
2. **When to submit** Normally, no work or occupancy may begin until a CITY Attorney insurance approval number has been obtained, so documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings but before construction commences.
3. **Availability of Insurance** Coverages and limits are subject to availability on the open market at reasonable cost as determined by the CITY. For requirements to be relaxed or waived, your broker or agent must document non-availability or non-affordability in a letter to the CITY. It must show a good faith effort to place the required insurance, must list the names of the insurance carriers contacted and show the declinations or cost indications received from each.
4. **Alternative Programs/Self-Insurance** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed their financial statements.

ADMINISTRATIVE REQUIREMENTS

5. **California Licensee** All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a

coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

6. **Aggregate Limits/Impairment** If any of the required insurance coverages contain annual aggregate limits, you must give the CITY notice of any pending claim or lawsuit which may diminish the aggregate within thirty (30) days of knowledge of the same. You must take steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days knowledge of the same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect CITY'S protection are allowed without CITY'S prior written consent.

7. **Signature** All submission must bear the manual autograph in ink of a person with authority to bind coverage. Signatures which are rubber stamped, mechanically reproduced, initiated by others or photocopied are not acceptable.

POLICY CONDITIONS

8. **Additional Insured/Loss Payee** The CITY must be included as an additional insured in applicable liability policies to cover the CITY'S vicarious liability for the acts or omissions of the named insured. Such coverage is not expected to respond to the active negligence of the CITY. The CITY is to be named a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

9. **Notice of Cancellation** You agree contractually to maintain all required insurance in full force for the duration of your business with the CITY. By ordinance, all required insurance must provide at least 30 days' prior notice directly to the CITY by receipted delivery (certified mail, courier or in-person delivery) if your *insurance company* elects to cancel or reduce coverage prior to the policy expiration date. This also applies when the **scope of coverage** which affects the CITY'S interest is to be reduced or when the **dollar limits** or coverage are to be reduced for any reason except impairment of an aggregate limit due to prior claims. Submissions not meeting this requirement will be rejected.

10. **Primary Coverage** The coverage must be primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

11. **Separation of Insureds** (Severability of Interest) In **construction contracts**, the CITY must be able to retain its rights as a potential claimant as well as to be protected as an additional insured for vicarious liability to third party claimants except with respect to the insurance company's limits of liability.

PROCEDURES

12. **Acceptable Evidence and Approval** CITY **Special Endorsements** forms completed by your insurance company or its designee are the preferred form of evidence of insurance. (**Note:** The CITY forms are acceptable to the California Department of Insurance from *any* insurance carrier. They need not be re-filed by individual insurance companies.) Altered forms may not be accepted but the “Other Provisions” box on the CITY forms, may be used, as necessary, to provide pertinent information such as important exclusions, specific provisions or scheduled locations/equipment. Additional pages may be attached for this purpose, as well. If they are, make note of it in this box. An acceptable alternative to the Special Endorsement form is a **certified copy of full insurance policy** which contain a 30-day cancellation notice provision and additional-insured or loss-payee status, when appropriate, for the CITY. **Binders and Cover Notes** are also acceptable as interim evidence for up to 90 days. However, non-binding documents such as broker letters and **Certificates of Insurance are not acceptable as stand-alone evidence of coverage**. Certificates *are* acceptable for the following purposes: 1) supplemental information to accompany endorsements; renewals or extensions of coverage already on file with the CITY; 2) for the naming of third-party, additional insureds; 3) as an indication of compliance with statute, such as Workers’ Compensation Law of the California Financial Responsibility Law for Automobile Liability; 4) as proof of coverage beyond CITY requirements or which does not directly relate to the CITY’S interests.

13. **Renewal** When an existing policy is timely renewed, submit a renewal endorsement or a manually-signed Certificate of Insurance. However, if your policy number changes or you use a different underwriting company (insurer) you must submit new evidence which meets the policy condition listed in Section 8 through 11 of this information sheet.

COVERAGE INFORMATION

14. **Dollar Limits** of required insurance are sometimes set by statute or ordinance. When there is no specific amount required by law, limits are based on the amount of risk to the CITY from the contractor, vendor or permittee’s activities.

15. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third party claims which may arise out of your work or your presence on CITY premises. **Contractual liability** coverage is a required inclusion in this insurance. (See separate information sheet on the CITY’s SPARTA program as an optional source of low-cost insurance which meets all requirements.)

Exhibit 1 – Cont.
INSURANCE REQUIREMENTS

16. **Automobile Liability** insurance is required only where vehicles are used in performing the work of your Contract or where they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability is a contractual requirement.

17. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed professional. The length of the claims discovery period required will vary with the circumstances of the individual jobs.

18. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self-Insure) must be provided if you have employees at any time during the period of this Contract. **Waiver of Subrogation** on the coverage is required only for those jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc.

19. **Property Insurance** required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Fire Legal Liability** is required for persons occupying a portion of CITY premises.

A. General Conditions

During the term of this Contract and without limiting **CONTRACTOR'S/CONSULTANT'S** indemnification of the **CITY, CONTRACTOR/CONSULTANT** shall provide and maintain at its own expense a program of insurance having the coverages and limits customarily carried and actually arranged by **CONTRACTOR/CONSULTANT** but not less than the amounts and types listed on the Insurance Requirements Sheet (Form Gen. 146/IR) in Exhibit 1 hereto, covering its operations hereunder. Such insurance shall conform to City requirements established by Charter, ordinance or policy, shall comply with the instructions set forth on Form General 133 and with the conditions set forth on the applicable City Special Endorsement form(s), copies of which are included in Exhibit 1, and shall otherwise be in a form acceptable to the City Attorney. GENERAL INFORMATION

1. **Project ID** All submissions must identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and dollar amounts** specified on the Insurance Requirement Sheet (Form Gen. 146) included in your CITY documents.
2. **When to submit** Normally, no work or occupancy may begin until a CITY Attorney insurance approval number has been obtained, so documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings but before construction commences.
3. **Availability of Insurance** Coverages and limits are subject to availability on the open market at reasonable cost as determined by the CITY. For requirements to be relaxed or waived, your broker or agent must document non-availability or non-affordability in a letter to the CITY. It must show a good faith effort to place the required insurance, must list the names of the insurance carriers contacted and show the declinations or cost indications received from each.
4. **Alternative Programs/Self-Insurance** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed their financial statements.

ADMINISTRATIVE REQUIREMENTS

5. **California Licensee** All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a

coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

6. Aggregate Limits/Impairment If any of the required insurance coverages contain annual aggregate limits, you must give the CITY notice of any pending claim or lawsuit which may diminish the aggregate within thirty (30) days of knowledge of the same. You must take steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days knowledge of the same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect CITY'S protection are allowed without CITY'S prior written consent.

7. Signature All submission must bear the manual autograph in ink of a person with authority to bind coverage. Signatures which are rubber stamped, mechanically reproduced, initiated by others or photocopied are not acceptable.

POLICY CONDITIONS

8. Additional Insured/Loss Payee The CITY must be included as an additional insured in applicable liability policies to cover the CITY'S vicarious liability for the acts or omissions of the named insured. Such coverage is not expected to respond to the active negligence of the CITY. The CITY is to be named a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

9. Notice of Cancellation You agree contractually to maintain all required insurance in full force for the duration of your business with the CITY. By ordinance, all required insurance must provide at least 30 days' prior notice directly to the CITY by receipted delivery (certified mail, courier or in-person delivery) if your *insurance company* elects to cancel or reduce coverage prior to the policy expiration date. This also applies when the **scope of coverage** which affects the CITY'S interest is to be reduced or when the **dollar limits** or coverage are to be reduced for any reason except impairment of an aggregate limit due to prior claims. Submissions not meeting this requirement will be rejected.

10. Primary Coverage The coverage must be primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

11. Separation of Insureds (Severability of Interest) In **construction contracts**, the CITY must be able to retain its rights as a potential claimant as well as to be protected as an additional insured for vicarious liability to third party claimants except with respect to the insurance company's limits of liability.

PROCEDURES

12. **Acceptable Evidence and Approval CITY Special Endorsements** forms completed by your insurance company or its designee are the preferred form of evidence of insurance. (**Note:** The CITY forms are acceptable to the California Department of Insurance from *any* insurance carrier. They need not be re-filed by individual insurance companies.) Altered forms may not be accepted but the “Other Provisions” box on the CITY forms, may be used, as necessary, to provide pertinent information such as important exclusions, specific provisions or scheduled locations/equipment. Additional pages may be attached for this purpose, as well. If they are, make note of it in this box. An acceptable alternative to the Special Endorsement form is a **certified copy of full insurance policy** which contain a 30-day cancellation notice provision and additional-insured or loss-payee status, when appropriate, for the CITY. **Binders and Cover Notes** are also acceptable as interim evidence for up to 90 days. However, non-binding documents such as broker letters and **Certificates of Insurance are not acceptable as stand-alone evidence of coverage**. Certificates are acceptable for the following purposes: 1) supplemental information to accompany endorsements; renewals or extensions of coverage already on file with the CITY; 2) for the naming of third-party, additional insureds; 3) as an indication of compliance with statute, such as Workers’ Compensation Law of the California Financial Responsibility Law for Automobile Liability; 4) as proof of coverage beyond CITY requirements or which does not directly relate to the CITY’S interests.

13. **Renewal** When an existing policy is timely renewed, submit a renewal endorsement or a manually-signed Certificate of Insurance. However, if your policy number changes or you use a different underwriting company (insurer) you must submit new evidence which meets the policy condition listed in Section 8 through 11 of this information sheet.

COVERAGE INFORMATION

14. **Dollar Limits** of required insurance are sometimes set by statute or ordinance. When there is no specific amount required by law, limits are based on the amount of risk to the CITY from the contractor, vendor or permittee’s activities.

15. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third party claims which may arise out of your work or your presence on CITY premises. **Contractual liability** coverage is a required inclusion in this insurance. (See separate information sheet on the CITY’s SPARTA program as an optional source of low-cost insurance which meets all requirements.)

Exhibit 1 – Cont.
INSURANCE REQUIREMENTS

16. **Automobile Liability** insurance is required only where vehicles are used in performing the work of your Contract or where they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability is a contractual requirement.

17. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed professional. The length of the claims discovery period required will vary with the circumstances of the individual jobs.

18. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self-Insure) must be provided if you have employees at any time during the period of this Contract. **Waiver of Subrogation** on the coverage is required only for those jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc.

19. **Property Insurance** required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Fire Legal Liability** is required for persons occupying a portion of CITY premises.

20. **Surety** coverage may be required to guarantee performance of work. A **Fidelity bond** may be required to handle CITY funds, high volume property and under certain other conditions. **Specialty coverages** may be needed for certain operations.
