For Information Only

Attached for your information is the Council Motion #11-1921 that was introduced by Councilmember LaBonge, Council District 4 at the November 22, 2011 Council meeting.

The Simmons Mattress Company would like to donate 23 Simmons mattresses for the use of all members at Fire Station 27. The combined value of this donation is approximately \$46,000.

This in-kind donation approval was not sought in the normal manner due to the fact that Councilmember LaBonge presented a Council Motion directly to City Council which allowed the City Council to accept the donation for the Los Angeles Fire Department, prior to the Fire Commission approving this donation request. Due to this fact, the normal route of forwarding this request further will not be necessary.

Board Report prepared by the Community Liaison Office.

FROM: Joseph Castro, Battalion Chief

SUBJECT: DONATION TO FIRE STATION 27

I've been approached by a representative from the Simmons mattress company. Ms. Patty Friedman, regarding the Simmons company desire to donate 25 twin mattresses to fire station 27, in the form of an "in-kind" donation. The approximate value of the items is ~~\$50,000.00~~

~~46,000.00~~

The mattresses represent a definite "upgrade" to the city issued version and would be welcomed by the members of fire station 27.
