SUBJECT: IN KIND DONATION FOR FIRE STATION 61

Fire Station 61 is requesting permission for an In Kind Donation that is being purchased by Green Tree Landscaping, Inc. The purchase is a Built in Barbeque that is valued at \$2500.00. The current Barbeque in use at Fire Station 61 is used extensively and is showing signs of excessive wear and tear. The constant use of the Barbeque is showing signs of uneven cooking and lighting of burners. This donation was not solicited for, but came as an offering from Green Tree landscaping. This donation is also in coordination with the First in Fire Foundation as they were the original Contacts of this donation.

The donation of this Built in Barbeque will not require any install complications, or alterations, as it is the same brand and model number of the existing Barbeque. This Donation is being held in storage at Fire Station 61 pending approval for its use.

Re: Barbecue Donation to Fire Station 61

Dear Armando,

We received a request today from Captain Johnson at Fire Station 61 that you are requesting a letter from us confirming the donation of a barbecue to Fire Station 61. This is to confirm that GreenTree Landscaping Company was pleased to donate a barbecue to Fire Station 61. FIRST-IN FIRE FOUNDATION is pleased to welcome GreenTree Landscaping Company's support of their local fire station. Our foundation is happy to facilitate that donation.

This is all very much appreciated by our local firefighters. The approximate value of the barbecue is \$2500.

Is it now the policy of the LAFD to require all donors to write such letters to accompany each donation, even though a 225 has been submitted?

Sincerely,

Marc Cohen, Chairman of the Board
