**SUBJECT: APPROVAL TO PURCHASE WEIGHT EQUIPMENT**

Fire Station 61 is requesting permission to purchase additional weight equipment. This purchase is being conducted through and by the First in Fire Foundation. During the month of September 2012, Fire Station 61 had organized a pancake breakfast fund raiser, in which several thousand dollars were raised. The topic in which this fund raiser was conducted was for a necessary upgrade of both physical fitness equipment as well as station tools. The amount utilized for the purchase of weights is \$2,480.81 from Advantage Fitness Products, and will be handled by the First in Fire Foundation.

The items that are being purchased are rubber coated stackable plates to augment our current supply of weights and a new multi adjustable bench press. The amount given above includes sales tax, freight and delivery of the purchased items.
