POLICY FOR DESIGNATED PUBLIC HEARING ITEM No(s) 4, 5, and 6
Pursuant to the Commission’s general operating procedures, the Commission at times must necessarily limit the speaking times of those presenting testimony on either side of an issue that is designated as a public hearing item. In all instances, however, approximately equal time is allowed for presentation of pros and cons of matters to be acted upon. All requests to address the Commission on public hearing items must be submitted prior to the Commission’s consideration of the item. TIME SEGMENTS noted herein are approximate. Some items may be delayed due to length of discussion of previous items.

To ensure that the Commission has ample opportunity to review written materials, all concerned parties who wish to submit written materials on agendized items should submit them to the Commission Office, 200 North Spring Street, Room 532, Los Angeles, 90012, at least 10 days prior to the meeting at which the item is to be heard, in order to meet the mailing deadline. Note: Materials received after the mailing deadline will be placed in the official case file.

Day of hearing submissions (10 copies must be provided) are limited to 2 pages plus accompanying photographs, posters, and PowerPoint presentations of 5 minutes or less.

The Commission may RECONSIDER and alter its action taken on items listed herein at any time during this meeting or during the next regular meeting, in accordance with the Commission Policies and Procedures and provided that the Commission retains jurisdiction over the case.

AGENDAS are posted for public review in the Main Street lobby of City Hall East, 200 No. Main Street, Los Angeles, California, and are accessible online at http://www.planning.lacity.org.

In the case of a Commission meeting cancellation, all items shall be continued to the next regular meeting date or beyond, as long as the continuance is within the legal time limits of the case or cases.

If you challenge these agenda items in court, you may be limited to raising only those issues you or someone else raised at the public hearing agendized here, or in written correspondence on these matters delivered to this agency at or prior to the public hearing.

If you seek judicial review of any decision of the City pursuant to California Code of Civil Procedure Section 1094.5, the petition for writ of mandate pursuant to that section must be filed no later than the 90th day following the date on which the City’s decision became final pursuant to California Code of Civil Procedure Section 1094.6.
