POLICY FOR DESIGNATED PUBLIC HEARING ITEMS
Pursuant to the Commission’s general operating procedures, the Commission at times must necessarily limit the speaking times of those presenting testimony on either side of an issue that is designated as a public hearing item. In all instances, however, equal time is allowed for presentation of pros and cons of matters to be acted upon. All requests to address the Commission on public hearing items must be submitted prior to the Commission’s consideration of the item. EVERY PERSON WISHING TO ADDRESS THE COMMISSION MUST COMPLETE A SPEAKER’S REQUEST FORM AND SUBMIT IT TO THE COMMISSION STAFF.

Written submissions are governed by Rule 4.3 of the West Los Angeles Area Planning Commission Rules and Operating Procedures. All submissions within 48 hours of the meeting, including the day of meeting are limited to two (2) written pages, including exhibits and must include the case and agenda item number on the cover or first page. Photographs do not count toward the page limitation. Electronic submissions will not be accepted within this time period. Twelve (12) copies of the submission must be submitted to the Commission Executive Assistant prior to the start of the hearing who will distribute them to the Commission.

Submissions that do not comply with these rules will be stamped “File Copy. Non-complying Submission.” Non-complying submissions will be placed into the official case file, but they will not be delivered to or considered by the Commission, and will not be included in the official administrative record for the item at issue.

The Commission may RECONSIDER and alter its action taken on items listed herein at any time during this meeting or during the next regular meeting, in accordance with the Commission Policies and Procedures and provided that the Commission retains jurisdiction over the case. If a Commission meeting is cancelled or adjourned due to lack of quorum, all remaining items shall be continued to the next regular meeting date or beyond, as long as the continuance is within the legal time limits of the case or cases.

Sign language, interpreters, assistive listening devices, or other auxiliary aids and/or other services may be provided upon request. To ensure availability of services, please make your request no later than 7 days prior to the meeting by calling the Commission Executive Assistant at (213) 978-1299 or by e-mail at apcwestla@lacity.org.

If you challenge these agenda items in court, you may be limited to raising only those issues you or someone else raised at this public hearing, or in written correspondence on these matters delivered to this agency at or prior to the public hearing. If you seek judicial review of any decision of the City pursuant to California Code of Civil Procedure Section 1094.5, the petition for writ of mandate pursuant to that section must be filed no later than the 90th day following the date on which the City’s decision became final pursuant to California Code of Civil Procedure section 1094.6. There may be other time limits which also affect your ability to seek judicial review.
