CF 12-1824-S1 / LAMC Chapter IV, Article 1, Section 41.58.1
With the support of CD4, a special party house car has been deployed since June 7, 2019 and it operates Fridays through Saturdays, during hours 8:00pm and 4:00am. We're lucky to have such attentive Senior Lead Officers like Ben Thompson and Ralph Sanchez. City Attorney Ethan Weaver has also been incredibly helpful in addressing our problems associated with party houses. For more information

Effective July 1, 2019, residents may be authorized to rent their primary residence to short-term visitors (aka "home sharing"). Such hosts will be required to register with the city and be subject to city requirements. All advertisements must have the host's assigned registration number. Enforcement will begin November 1, 2019. For more information please

With City Council's support, now there is funding allocated for Planning Department's Wildlife Pilot Study, and it includes creation of a staff biologist and four new planner positions. PUBLIC INPUT AT NEIGHBORHOOD COUNCIL MEETINGS

The public is encouraged to attend and make public comments, but does not get to vote on agenda items. The public is requested to fill out a "Speaker Card" to address the committee on any item on the agenda prior to the committee taking action on an item. Public comments on agenda items will be heard when the item is considered. Comments from the public on non- agenda items within the committee's subject matter jurisdiction will be heard during the public comment period for non-agenda items and, within the discretion of the committee's presiding chair, when other agenda items are being considered. Public comment is limited to two (2) minutes per speaker unless waived by the presiding chair of the committee.

Agenda items may be taken out of order. Motions may be taken on any agenda item. Any action taken would then be referred to the Hollywood Hills West Neighborhood Council's board (as a recommendation) for further consideration and action.
