"Community CleanUp"

November 5, 2011

8:00 a.m. til Noon or ???

(Meet at K-MART - Sherman Way - Parking Lot)

We are hopeful that you will participate in our CleanUp efforts on November 5th. We can work together to BRING THE PRIDE BACK TO NORTH HOLLYWOOD.

WHAT IS A NEIGHBORHOOD COUNCIL?

WE are "stakeholders" in our community. **WE** are tenants, homeowners, property and/or business-owners, employees, people served by community organizations and social service agencies.

WE are YOUR neighbors.

WE are funded and advised by the City of Los Angeles.

WE are notified by the City Council what businesses want to move into our area and when the existing businesses are planning changes.

WE speak up on community issues and the City Council LISTENS to our collective voices.

WE CAN IMPROVE CITY SERVICES, beautification of our neighborhoods and public safety.

WE promote public participation, creating a sense of community through special projects and events.

***COME TO OUR MEETINGS ~~ GET INVOLVED!**
