Comments from the public on agenda items will be heard only when the respective item is being considered. Comments from the public on other matters not appearing on the agenda that are within the Board's jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future Committee meeting.

Public comment is limited to a maximum of 2 minutes per speaker per item with a maximum of 10 minutes total per meeting, unless adjusted by the presiding officer of the Board.

Speakers shall limit their comments to matters relevant to the item on the agenda. The Chair may rule that the speaker is out of order if the comments are not germane to the item under consideration. Speakers shall direct their comments to the Board (not to an individual).
