CITY OF LOS ANGELES
INTER-DEPARTMENTAL CORRESPONDENCE

Date: July 17, 2019

To: Rob Freeman, Chair
Emergency Management Committee

Emergency Management Committee Members

From: Larry Meyerhofer, Planning Chief
Emergency Management Department

Subject: **2019 CITY OF LOS ANGELES Emergency Operations Plans**

Recommendation

That the Emergency Management Committee (EMC), approve and forward to the Emergency Operations Board, these four plans:

- City Emergency Operations Plan (EOP)
- Early Warning and Notification Annex
- Adverse Weather Annex
- Terrorism Prevention and Protection Annex

Executive Summary

Federal guidelines require that the City of Los Angeles update its Emergency Operations Plan, Annexes, and Appendices, every two years. The Emergency Management Department (EMD), identified as the lead City agency for emergency preparedness by the Administrative Code, oversees this process and has created a two-year schedule to ensure that all plans are reviewed and updated in a two-year cycle.

During the review and update process, pertinent departments were asked to update their sections of the plans. The Planning Subcommittee, represented by various City agencies, has also been given an opportunity to review and discuss these plans in an open forum. EMD requests the EMC approve these plans and forward them to the Emergency Operations Board for approval and transmittal to the City Council for approval and adoption.
