Zip Codes specify Schedule R-1, Rate A Residential Zones.

Zones define Tiered Rate Shift Points for individual customers; OV customers are Zone 2.

Zones differ by tier shift points only; refer to rate schedule for unit rates in each block.

Zone 1: Tier 1 Block is the first 350 kWh per month, Tier 2 Block is the Next 700 kWh

Zone 2: Tier 1 Block is the first 500 kWh per month, Tier 2 Block is the Next 1,000 kWh
